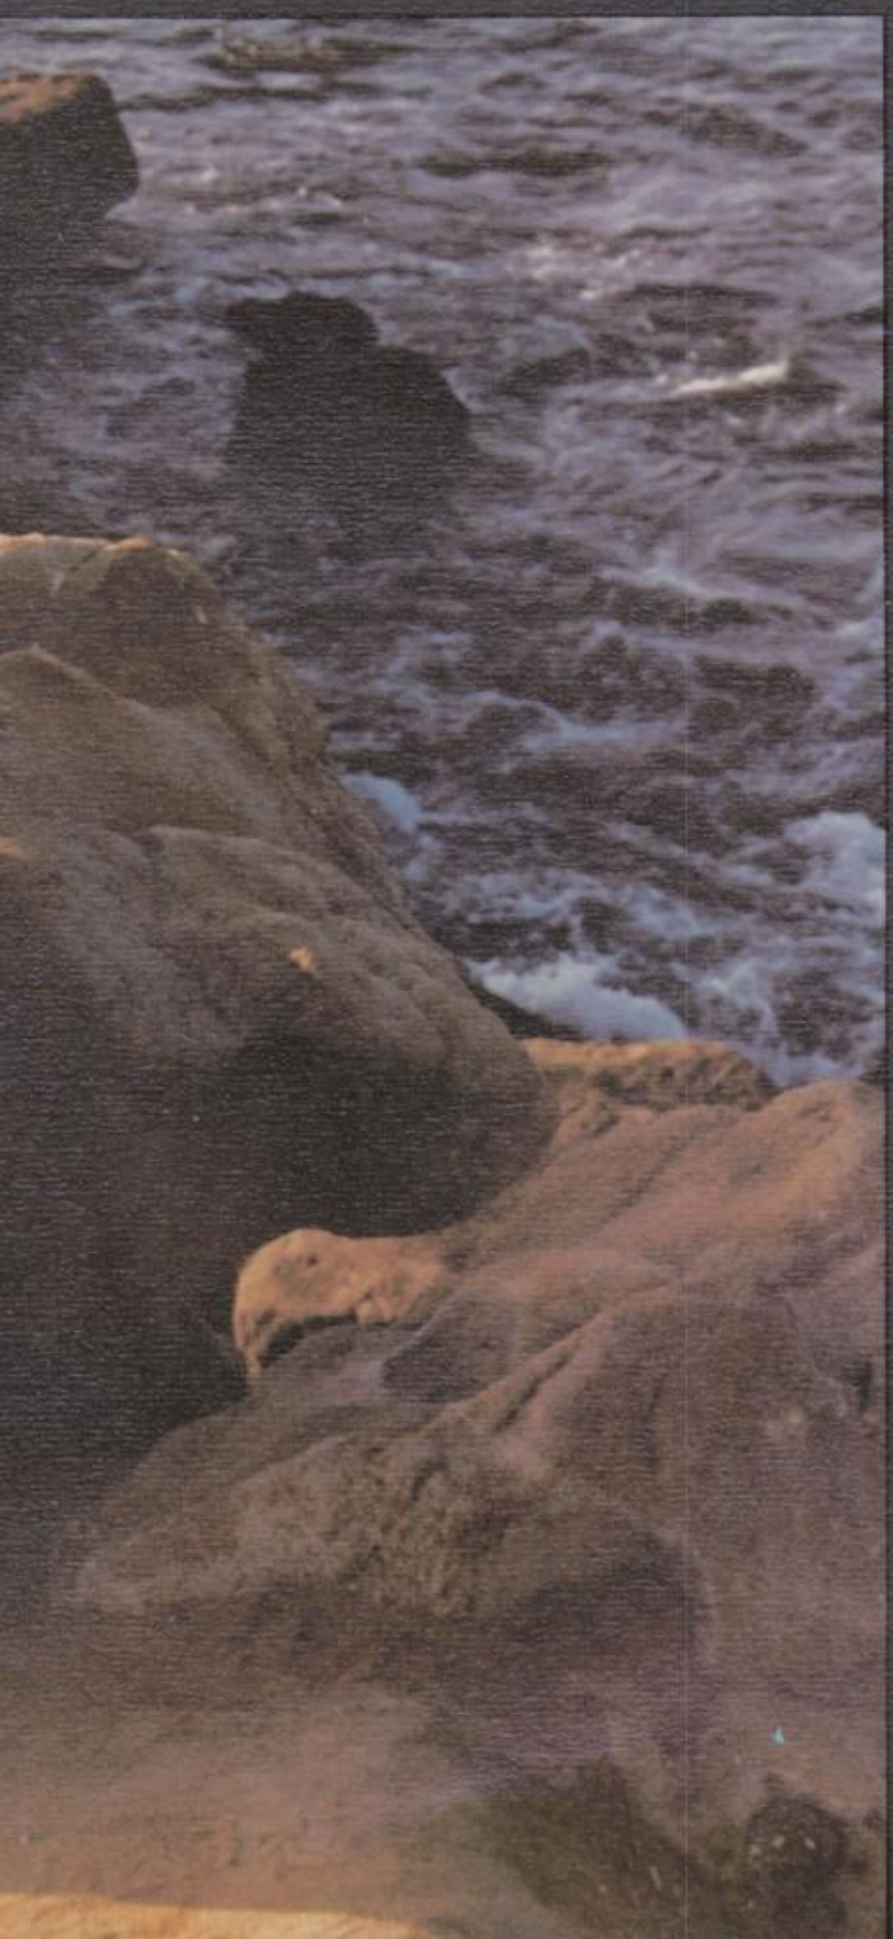
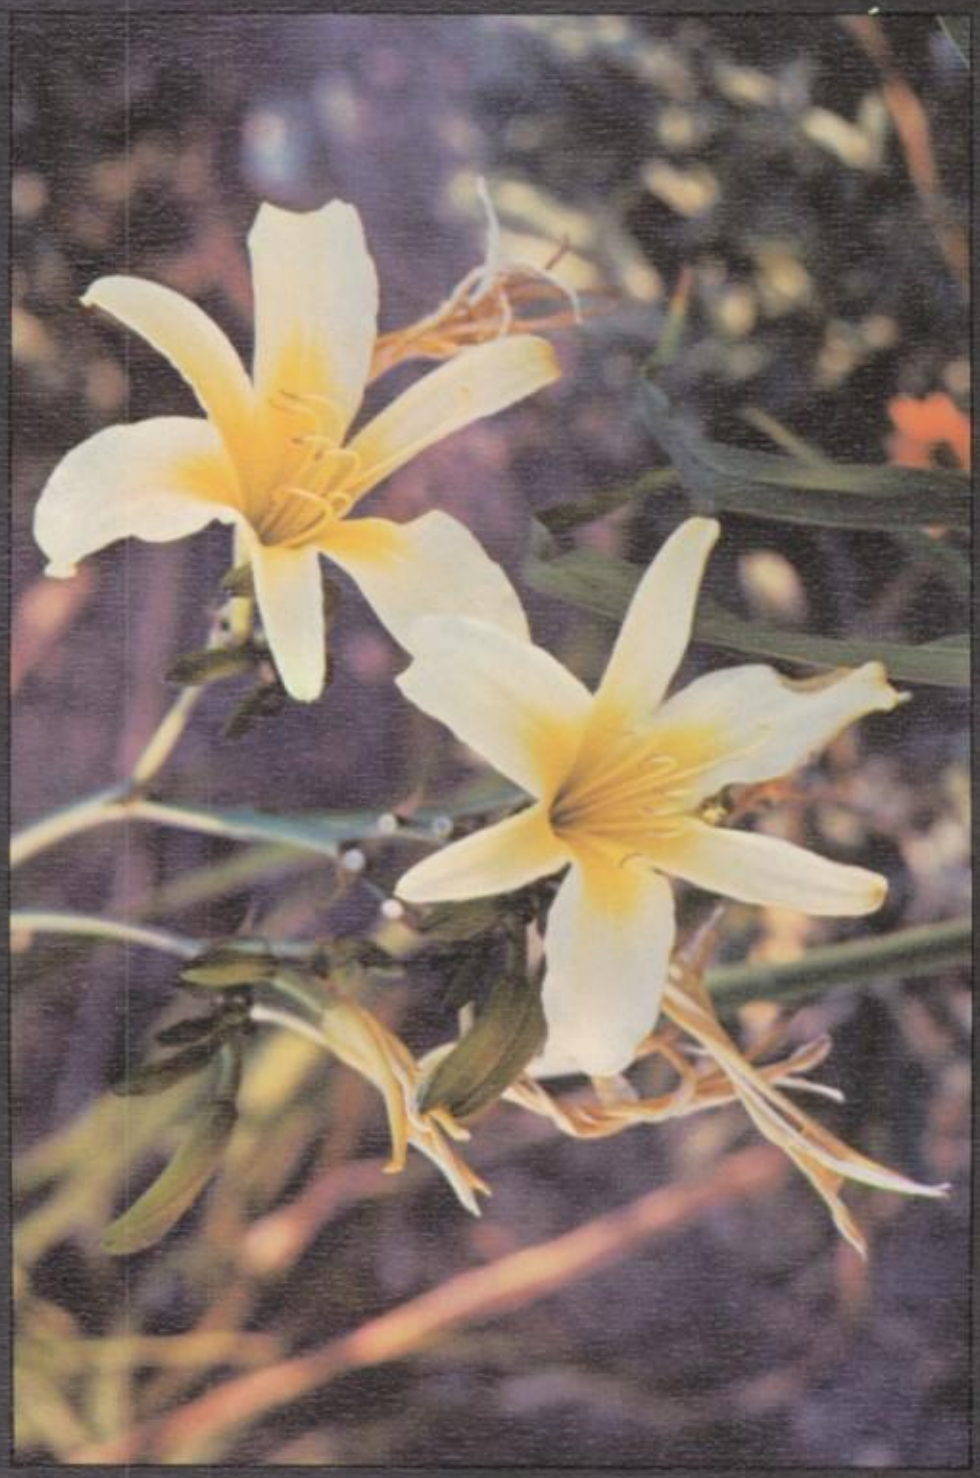
You . . .

"A grain of sand . . . That's I . . . that's you, each with his little bit to do."





You reach for a goal which is tanglible only to you.

Your thoughts are branching out, memories are growing.

When you conquer your first successful accomplishment in life, it is equal to the incomparable beauty of a child learning to walk.

If you accept friends as they are, you will then be a better friend by far.

"In your hands will be placed the results of your thoughts, **you will receive what you earn, no more and no less. Whatever your present environment may be you will fall, remain, or rise with your thoughts, your wisdom, and your ideals. . ."**

Homecoming Filled With Ceremony

Elegance and beauty topped off the week as Cricket Bewsy was crowned Homecoming Queen. A week that included everything from Slave Trades to Mr. and Miss irresistible contest was acclaimed by Mr. Drager, student activities director as, "Easily the best Homecoming week this school has ever seen."

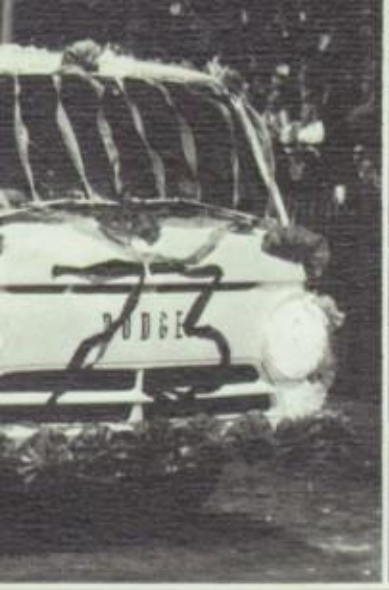
Beginning with the Pep club penny drive on Monday, November 2, the week lasted until Friday, November 6 with the last event being the Homecoming Dance. Along with the penny drive the AFS began to sell king sized "Triton Spirit" ribbons on Monday.

The Slave Trades began on Tuesday, the top sale being the 36 dollar auctioning off of Barbara Cheatum. Wandering Gypsies invaded the campus and told fortunes while the other activities continued.

The annual "Mum" sale was sponsored by the Girl's League, on Wednesday, and then the big "CAR PARADE AND DOWN-TOWN RALLY", sponsored by the Student Council, began. After the judging of the floats, at 3:30, all the floats and bicycles paraded through downtown San Clemente under a police escort to the Plaza. Happiness reigned as people participated in such activities as tricycle races, whipped cream fights, and tug of wars between the classes.

On Thursday, the Slave Auctions continued as did the Pep Club's and AFS' activities. But a new activity started this year, an activity which reflects the concern of the young people for their environment- The Ecology Club "TOTAL CAMPUS CLEANUP CAMPAIGN." Friday night, the scene was set. All week long there was joy,happiness and content, and it built to a spectacular climax. Then the time came. It was halftime of the game against Mission Viejo High. All the candidates were introduced. "May I have the envelope please," requested John Russell, Senior class president. The suspense built. Theatrics applied by John Russell made the spectators hold their breath. Then as he started to announce the Princesses, eliminating one by one until he had one left. Cricket Bewsy had won.

Complementing the night, the football team had a powerful victory, and the Homecoming Dance commenced. Reigned over by the beautiful Queen, the festivities concluded.



and Fun

The boys decided to "whip" each other the painless way.

N.J.R.O.T.C. added to the formality of the occasion.

Photography Club Promotes Contests

"To promote an interest and understanding of photography is the main purpose of our club," stated David Mitchell, the president of the club.

The final achievement, a motion picture designed to tell the story of San Clemente High School "71", was worked on by 15 enthusiastic members.

Advised by Mr. Issacs, the club also presented a photo contest, and a film contest, and for the benefit of the football team, the club shot films of each week's game.

The deadline for the photo contest was in early December, and the winning pictures were displayed in the cafetorium. A total of 21 dollars in prize money was handed out.

"Photography is a medium for personal expression, and educational and scientific tool, and it's fun."

Future Careers in Medicine

"The purpose of this club is to inform students of the more than 150 health fields," stated Debbi Sorenson, the president of the Medical Careers club.

These future members of the medical profession assisted the school with the chest x-rays and in the tuberculin testing. Other activities were field trips to Los Angeles County Medical Center and Orange County Childrens Hospital.

Meeting twice a week, the 23 interested students were advised by Dorthy Delaney, the San Clemente High School nurse.

The head staff was Debbi Sorenson, president; Sherry Murphy, vice president; Julie Hernandez, secretary; and Georgette Shaw, treasurer.

Club Earns Money for Trip to Mexico

"The main purpose of the Spanish club was to learn about the Spanish language and culture," stated Dayna Geddes, president of the Spanish club during the 1970-71 school year.

The club sponsored many activities including, car washes, bake sales, trips to see Spanish plays, Christmas caroling, and bike rides.

The main project of the Spanish club was their trip to Mexico during Easter vacation. "We worked all year long to make the money for that trip." boasted Dayna.

The 30 members, advised by Mrs. Leon, proved to be one of the most active and enthusiastic clubs on campus.

Top members were, Dayna Geddes, president; Mairi Rhoades, secretary; and Rosemary Kole, treasurer.

Russian Club Plans Trip

"I feel that in our "cold war" with the Soviet Union, we fail to see anything besides their military. There is a great history and culture supporting the Soviet Union, and we plan to bring it to the surface." stated Jim Hess, the president of the Russian Club, and language enthusiast.

A camping trip, attendance at a performance by the Bolshoi Ballet, a viewing of several movies, and Russian oriented dinners were some of the activities that this year's Russian club took part in.

"I was startled by the number of students who were interested in the culture of the Soviet Union," explained Jim Hess. When asked about the reason for this enthusiastic interest Jim rationalized, "I suppose that we hear so much about the Soviet Union that it is natural to be currious about what we are taught so little about."

The VIPs of the club were Jim Hess, president; John Filipoff, vice president; Susan Pierce, Secretary; and Bill Gotham, treasurer; and ∃K.

French Club Grows

"The purpose of the club is to familiarize the French students with aspects of French culture outside the classroom," stated Barbara Mudge, the president of the French club in the school year 1970-71.

Advised by Miss Jahan, the club was seemingly extremely interested in the food of France as they ate dinner at the Petit Paris Restaurant in Garden Grove and participated in the International Dinner with the other foreign language clubs on campus.

Heading these connoisseurs was Barbara Mudge, president; and David Vansell, vice president.

Pres. Terry Ballman gets a wet inauguration.

Wunderschön

Advised by the Foreign Language Department head, Mr. Sanda, the German club had a membership of 30 students and was headed by Terry Ballman, president; Marilyn Newton, vice president; and Tory Long, secretary-treasurer.

When questioned about the basis around the German club, Terry replied, "The German club is an excellent social and academic club. It has had many beneficial activities, due to its fine membership and leadership."

The club has sponsored, the root beer drinking contest, a field trip to Idyllwild over Thanksgiving weekend, a car wash, and a candy sale. It also participated in an International Dinner including all four foreign language clubs in January.

AFS Looking Their Best

"Everyone get ready."

Proud faces beam for the camera.

FIRST ROW: Paula Del Colle, Claudia Slater, Debbie van der Kaay, Brandon Birtcher, Christi Nichols, Kevin Kinkaid, Steve Hockett, Sue Blaney, Patty van der Kaay, Shelley Birtcher. TOP ROW: Mauri Rhodes, Steve Keith, Eeva Hara, Hartmut Eicher, Sebina Estete, Nancy Calhoun, Ian Kinkaid.

During the school year of 1970-71 the purpose of AFS was to raise 850 dollars to send a student of San Clemente High School to a foreign country. "Being a member of this club is a prime opportunity for high school students to learn about the different cultures around the world along with getting to know our own three exchange students from Finland, Germany, and Peru." stated Brandon Birtcher, the president of the club.

In order to raise the money the club sponsored a progressive dinner with Laguna Beach High School, a dance after a football game, and a Valentine Day Semi-formal dance. During Club Week the club organized one day to inform the students about AFS.

Advised by Mrs. Watt, the ranking members were Brandon Birtcher, president; Hartmut Eicher, first vice president; Sabina Astete, second vice president; Eeva Hara, third vice president; and Steve Hockett, secretary-treasurer.

"This years membership seemed extremely excited and eager to earn the money." added Brandon.

America Makes Three New Friends

San Clemente High was introduced to three new friends this year. Eeva Hara, Hartmut Eicher, and Sabina Astete took little time in learning the customs of the country. Their pleasant personalities enriched the experience of the students of San Clemente.

Eeva Hilkka Maria Hara was born December 4, 1953. Her birthplace was Helsinki, Finland, the land of sixty thousand lakes, the land of pine forests. She was the seventh child of nine children. Apparently she was used to being around a lot of people, and she showed it this year with her outgoing personality. Her American family was the Hunt family of Capistrano Beach.

When asked to comment on her stay in America, she replied, "I am having the most exciting year of my life living in California, experiencing the country, the people, and the life style. I don't want to think about the sad day when I have to leave all my friends in America."

Hartmut Eicher, born in Velheim, West Germany, November 15, 1952, lived all his life until this year on the edge of the Blue Danube. He has one brother and two sisters.

"I came to meet new people and to live with different customs," says Hartmut. "And I'm enjoying and have enjoyed every minute of the stay."

Hartmut lived with the Hocketts while here in San Clemente.

Sabina Astete was our guest from Lima Peru. She was born August 29, 1953, and she is the third child of a family of five children. During her stay in San Clemente she became a part of the Rhoads family. She shared many interest with her "sister" Vicky Rhoads.

"I have found a great many similarities between my two 'families' and have had a wonderful experience in this country through the great and unique AFS program."

To turn the phrase, the AFS guests gave us all a wonderful experience through the "unique AFS program".

"Check" . . . "Check Mate"

To promote the game of chess, and to further it in popularity among the San Clemente High School students was the purpose of the 1970-71 Chess club.

With Mr. Robins acting as advisor, the club sponsored activities such as "Days of the Absurd". Which included many ridiculous contests exemplified by the contest where a liquid soap was whipped to suds and placed in a tub and the contestants guessed how many hours it would take the suds to disappear.

"Chess is a very misunderstood game. Most people think that it is very slow and dull, but actually once you get involved the game becomes very exciting. That is what we are trying to bring to the students." stated Bruce Brent, the only officer of the club, or should we call him King?

Aero Space Club Flys Into Year With Unusual Contest

Ahoy Mates!

According to Dan Snipes, the president of the Sailing Club, "We are teaching the basic fundamentals of sailing to anyone interested in learning them." That was precisely what the 1970-71 Sailing Club did. Involved in several campus activities, the club sponsored sailing races to all those interested in getting into the competition.

Giving the orders to the rest of the crew were Dan Snipes, captain; Kitty Hall, first mate; Sue Rosoff, second mate; and Tom Morris, third mate.

Sue Rosoff (second mate), Kitt Hall (frist mate), Dan Snipes (captain), Jill Rosoff (fourth mate), Tom Morris (thrid mate)

Members Learn Astronomy the Easy Way

According to Mr. Webster, Astronomy is, "The scientific study of the universe beyond the earth" and that is exactly what took up most of the time of the active and studious Astronomy club.

In January, members of this club took pictures of four planets and an astroid all in the same morning, and sent copies to Sky and Telescope Magazine. the experiment was quite successful.

The fourteen exuberant students were advised by Mr. Schwenn, and hoped to teach students an easy way to learn astronomy and to understand the various facets of the study.

During club week, an exhibit of the telescopes and other equipment was displayed, for the benefit of the students. They also offered their equipment for students to use, before and after school during the year.

Ranking members were President, Charles Williams, Vice President, Randy Dewees, and Secretary, Mari Haig.

1. Debbie Fox 2. Mike Kaluger 3. Jerry Buckley 4. Christopher Perez 5. Mr. Schwenn (Adv.) 6. Luanne Webb 7. Edith Dewees 8. Lisa Williams 9. Charles Williams 10. Randy Dewees 11. Mari Haig 12. Steve Hinkle

Seniors Had a Great Year!

"Actually our name should be Senior Anthropology, because we are interested in the scientific study of the origin and of the physical, social, and cultural development and behavior of man." explained Steve Sharp, the president of Senior Humanities.

To further their knowledge in Anthropology, the club, sponsored by Mr. George, took part in several field trips. Also they sponsored a dance, a car rally, a spaghetti dinner, and a bake sale.

Club officers were Steve Sharp, president; Curtis Renshaw, vice president; Terry Schlarb, secretary; and Lori Zelko, treasurer.

"With such a great bunch of kids, a great teacher, and a great participation, we had a great year." concluded Steve Sharp.

Jr. Humanities Sponsors

Car Wash

Advised by Mr. George and Mr. Issacs, the Junior Humanities club raised money for their many educational excursions. "Becoming involved with the community through humanities is our main objective," stated Don King, the president of the club.

The educational excursions included plays, concerts, museums, and ballets. In order to raise money the club sponsored many activities such as a bake sale and a car wash.

When asked to sum up the year Don King summed it up handily-"With the help from our sixty enthusiastic members we made this year very productive, and a considerable success."

Heading the club was Don King, president; Kitty Hall, vice president; Laura Fleming, secretary; and Mary Kay Hagerdy, treasurer.

Scholarship

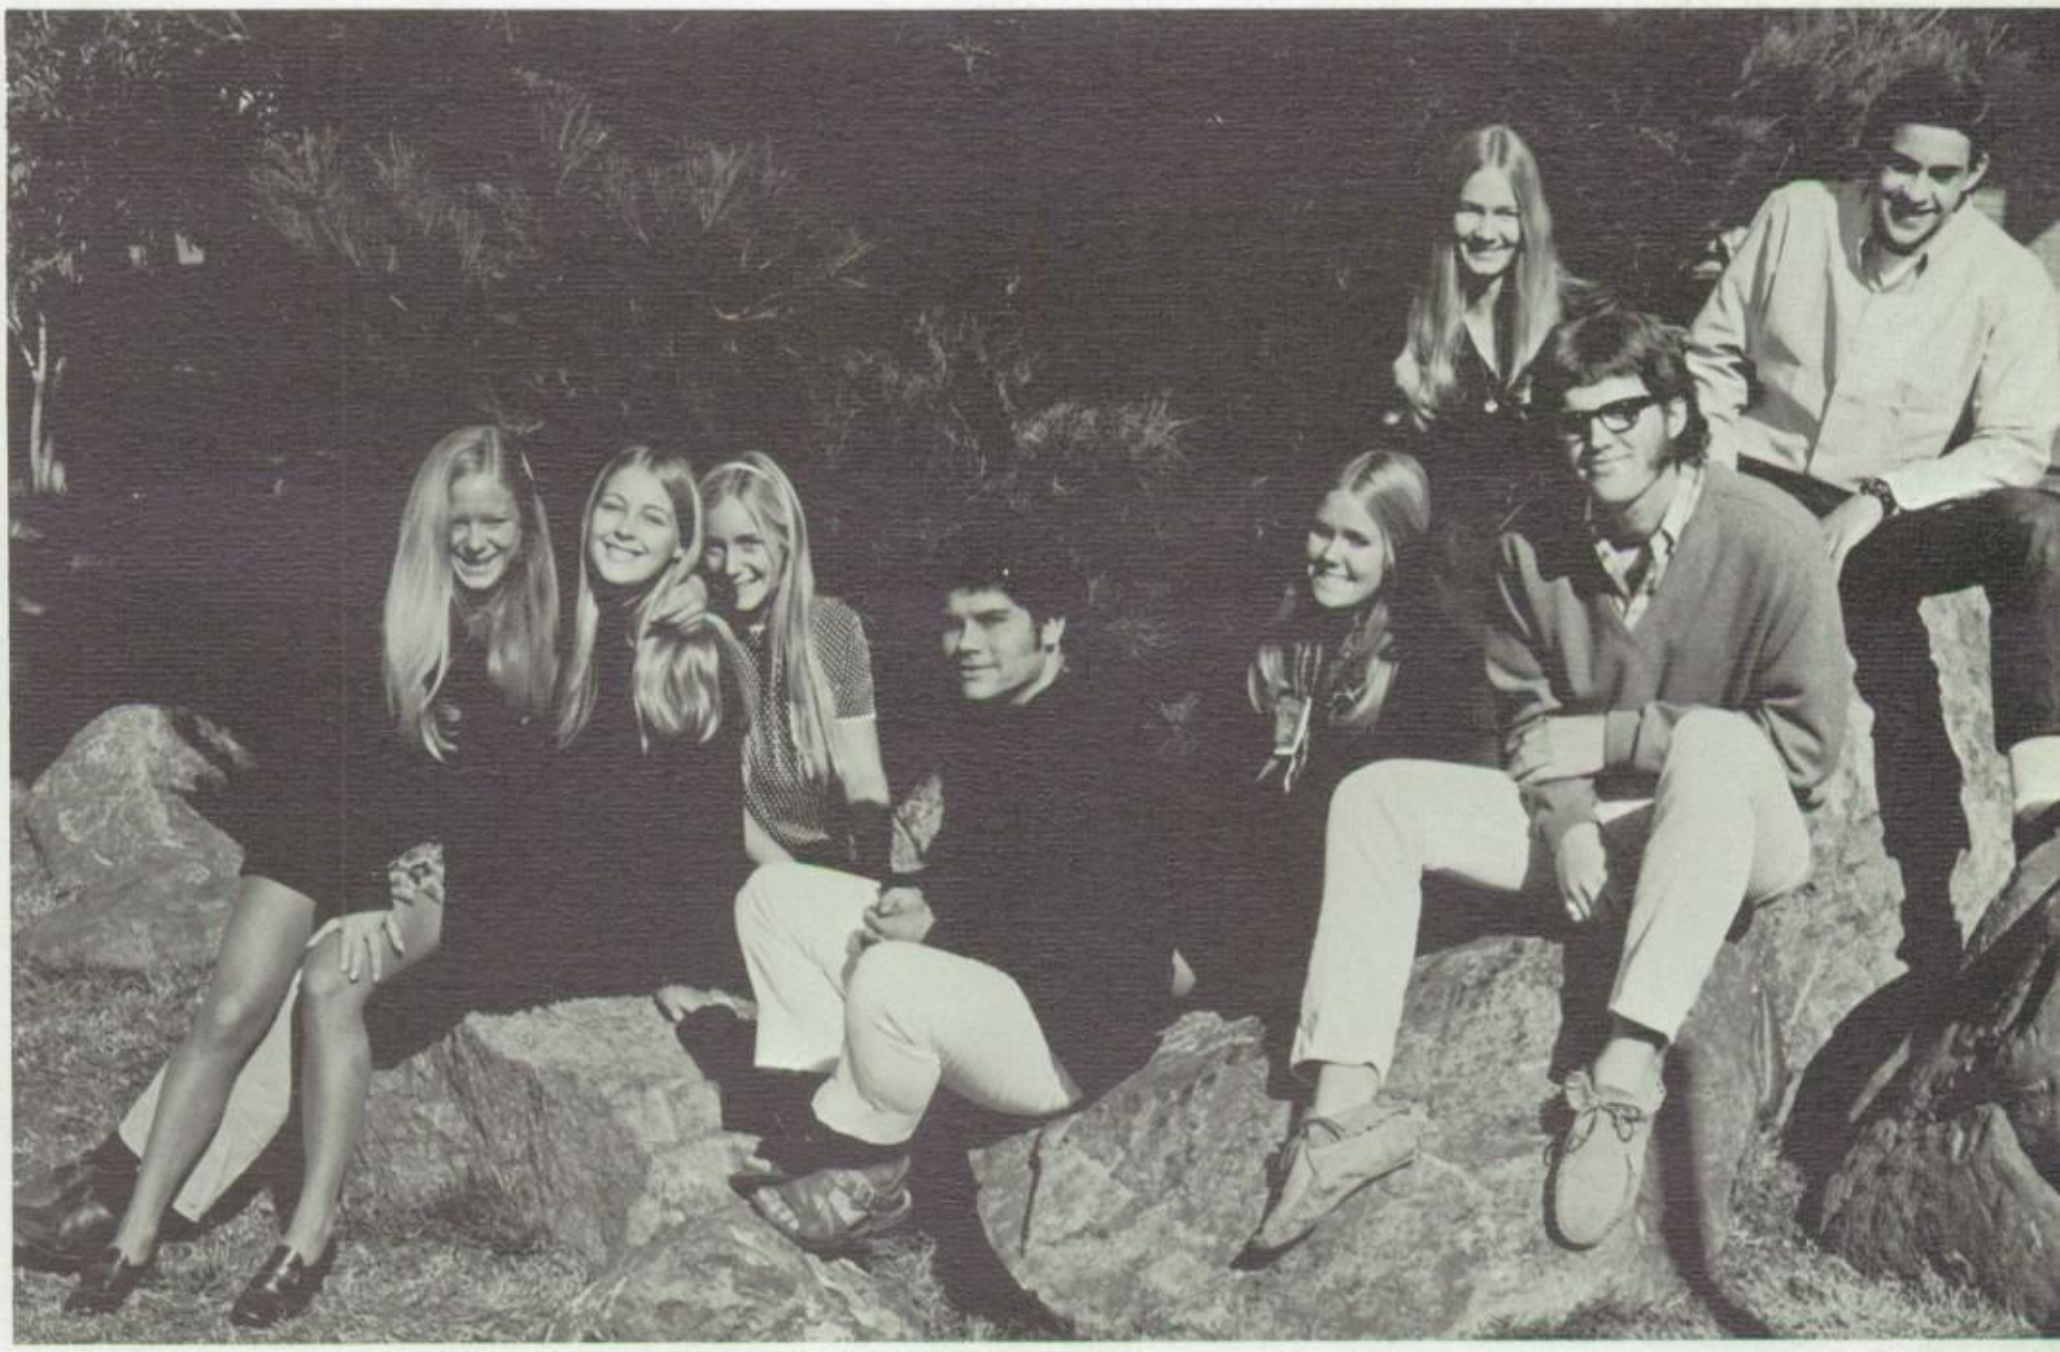
Federation

Progressive Education Club

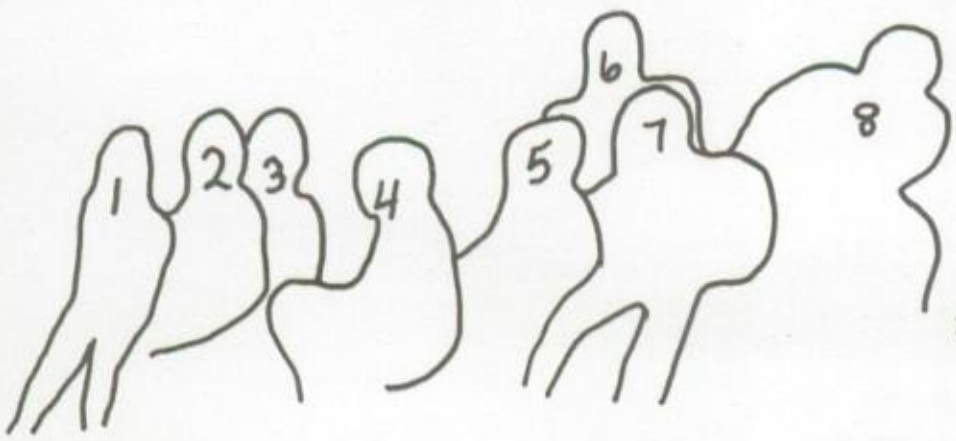
The sponsors of last year's "Earth Day", the truly unique Progressive Education club has stated its purpose as such: "To expose students to subjects and teaching methods not present at San Clemente High School, and to give students the chance to learn without the pressure of grades."

Advised by Mr. Klein, the club carried out its purpose by auditing several mini-courses, which were very successful at the semester of the year 1970-71.

Continuing their completely unique policies, the clubs philosophy on club officers is, "We work as one."



1. Julie Reed 2. Kathy Pechous 3. Jane Evans 4. Richard Wagner 5. Lori Ziegler 6. Debbie Manning 7. Charles Senge 8. Jay Wentz



Debate Club

Members: L TO R Brent Waters, David Pierce, Suzanne McClure, Martin Hichens, Rich Nohmy, Doug Wright, Rick Wagner.

Doug Wright delivers speech.

Advised by Mr. Smith, the 1970-71 Debate Club flourished as an important group. As Brent Waters, the club president said, "The debate club exists to enable its members to search for answers to the pressing questions of current controversial problems."

The club consisted of two factions, the varsity debaters and the novice debaters. In order to become a member of the varsity team, the novice must win five debates in competition. The varsity team had two members—Brent Waters and Doug Wright. The remaining six debaters, all novices continued to work towards receiving their honors in competition.

FTA Rehearsing for Future Coffee Breaks

The Future Teachers of America Association's purpose was stated by president Chris Kearney as, "To promote interest in teaching."

The annual "Teach In" was held in order to give the members experience in teaching.

"A career as a teacher can be a meaningful experience, as we are learning." stated Chris.

Girls League Sponsors Another Successful Christmas Formal

Enthusiastic members climb heights for photographer.

Members: Dina Campbell, Vicki Rhodes, Sue Currey, Lori Anderson, Shana Devenberg, Cindy Hillery, Margie Riley, Carol Bortfield, Lori Brown, Kelly Dowling, Cathy McDaniels, Melodee Critchlow, Nona Brickman, JoDee Dusek, Sue Knock , Diane Smetona, Sandy Waroff, Cathy Bole, Jill Wright, Katie Stamp.

What could be considered the largest and most influential club on campus, the Girl's League sponsored a total of twelve activities in the school year 1970-71.

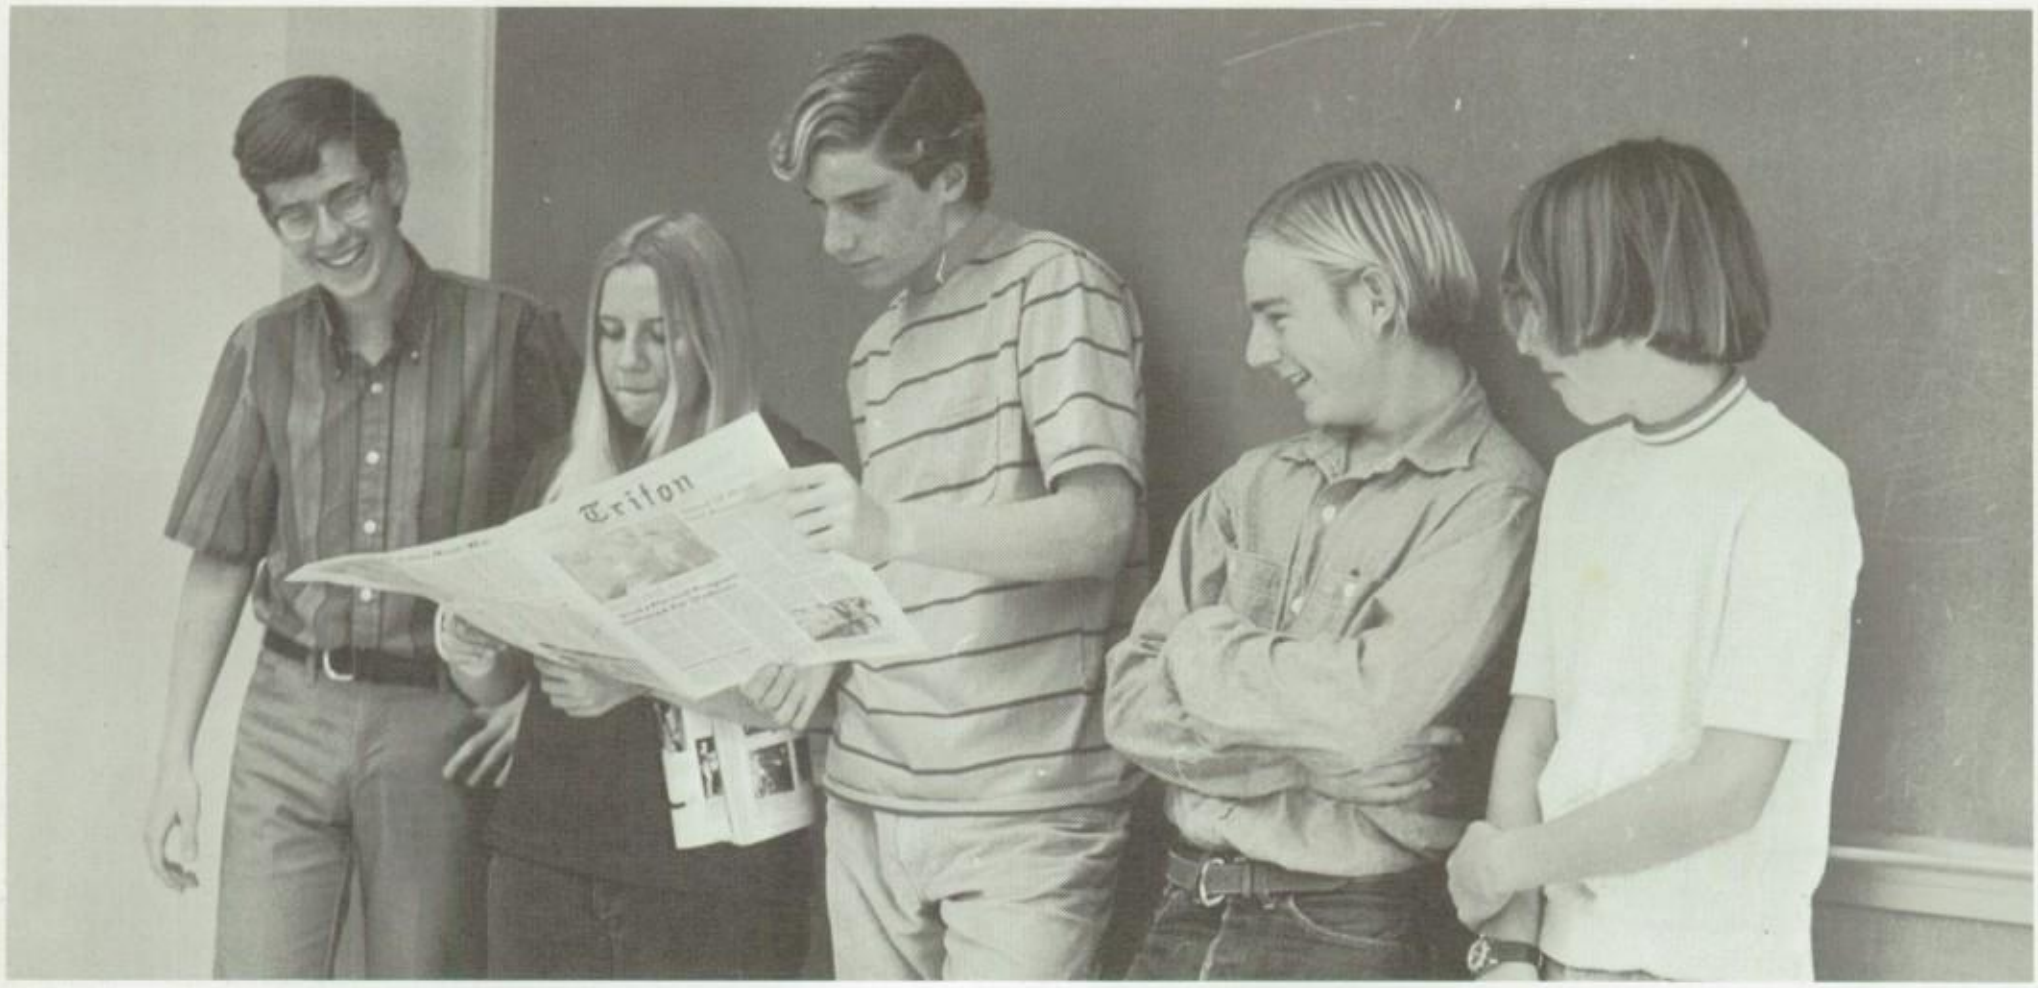
The Orientation Assembly, Big Sister-Little Sister Banquet, a dance after a football game, Homecoming, and Secret Valentine were just to name a few. But the biggest and most important was the Christmas Formal, one of the major successes of the year.

"The main purpose of the Girl's League is to promote womenhood in girls by sponsoring various activities with the girl's fathers, mothers and little sisters." stated Dina Campbell, the president.

Advised by Mrs. Veeh and Mrs. Gariepy, there were 24 active members on the cabinet, but all the girls in the school are considered members.

The active members were, Dina Campbell, president; Vicki Rhoads, vice president; Sue Currey, secretary; Katie Stamp, treasurer; Cindy Hillery, publicity chairman; Shauna Devenberg, historian; Margie Riley, senior representative; Carol Bortfield, junior representative; Lori Brown, sophomore representative; and Kelly Dowling, freshman representative.

Royalty: L TO R Clark Jarrett, Don King, Jay Wentz, Bob McNamara, John Russell



John Watkins, Chris Greaves, John Wentz, Rux Simkins, and Dave Burton view lastest issue of of Triton. Satisfaction is meeting a deadline.

Georgette Shaw, Toni Saccucci, Claudia Slater, Jack Loukides

Breaking with tradition this year's "Triton" was interesting and well organized. Besides reflecting activities of the campus, the "Triton" turned to controversial subjects and took stands on many important issues.

Starting off with the "Peace Symbol" conflict, the newspaper continued to capture the publics eye with lead stories on the Nuclear Power Plant, and the ASB Card sale gambit with Laguna High.

Illiminating stories with no real interest was a task taken up by Peter Chicas and Peter Limon, Editor and Associate Editor, respectivly. "I think the paper was a total success, and that we informed a few people about what was really happening, stated Peter Chicas."

Although criticized over newpaper's editorial opinion, Peter Limon stated, "We no matter what happens, our staff will stand by the paper and continue to do what we feel is right."

A Dream Comes True

This year the Drama Club strove for new and better things. The fall play, Up the Down Staircase, was a milestone in SCHS technical and dramatic achievements. The production was light, quick and entertaining. Cindy Johnson, playing the part of Sylvia Barrett, had her hands full as she tried to negotiate her way around and about the students and administration. The play offered its audience a fun-filled evening, one in which real students, real teachers, and real administrators saw themselves at their best and worst.

Later in the year, during February and March, Sound of Music excited the campus and community. Through the efforts of Mrs. Sykes, co-ordinator and technical advisor, Mr. Moe, artistic director, and Mr. Dastrup, music director, and a cast and crew numbering in the eighties, SCHS had a musical production to be proud of. Through all four evening performances standing ovations showed the appreciation of the audience as the thespians were bathed in applause. It was, as some said, a "professional performance in a professional theater." The latter remark referred to the redesigning of the seating before the stage.

For the Drama Club and those who enjoyed their work, it was a very good year. The officers — Chuck Raht, president; Kevin Kincaid, vice president; Ronny Kutcher and Kathy Graehl, recording and corresponding secretaries; and Jim Ashbrook, treasurer—would be the first to say so.

Ushers Club Members Attend Ceremonies at Western White House

There were three official students representing San Clemente High School who attended the Stamp Dedication ceremonies at the Western White House. But there were ten unofficial students, these students were members of the Usher club.

These are the same people who have remained unnoticed through Sports Awards Banquet and other similar activities. They are the people who find you seats and are a very important part of the organization of the activity.

The Ushers club, which has been passed over in the giving of credits, is one of the most important and active clubs on campus. The members have ushered at the Triton Capers, the Cabrillo Playhouse, Back to school night, South Coast Light Opera plays, Baccalaureate, Graduation ceremonies, NJROTC Awards, and Homecoming.

The 25 members, advised by Mrs. Glaser, have also found time to sponsor a Tootsie Roll Pop Sale, and Bake Sales.

Heading this indisposable club were, Marilyn Zagwolski, president; Bobbie Wilderman, vice president; Jane Wilderman, treasurer; and Debbie Van Der Kaay, secretary.

Paraphernalia Club Serves School

To help the school and the community was the main purpose of the Para-club during the school year of 1970-71.

Comprised of 23 members and advised by Mr. Hubbert, the club's main activity was the construction of over 400 Easter baskets. These baskets were presented to patients in many hospitals.

Their activities, such as helium balloon selling, were sponsored in order to acquire the money to buy a hospital bed. Even though just one bed, every bed leaves room for another patient and the members of the club thought that a good work and a purchase worthwhile.

"I think its a great club. More people should get into it, because the members in it now are really happy and enjoy the work," stated club president, Doug Gilmore.

Student Council "70" "71"

Student council flourished under the guidance of its master "Gepeto", Jay Wentz. As any one can see a day filled with law making and decisions can take its toll. The great responsibility of carrying forward a complex intitution of San Clemente High's stature sometimes drives the lawmakers to the wall. As can be seen in the above picture, a productive day has just finished. The council has just finished deciding whether to have a picture taken or not. They are preparing for the picture. Being a little late, the picture was already taken.

Ski Club Enjoys Snow

"This was the most fantastic and active year the Ski club has ever had. No doubt about it, we had more ski trips and more fun," stated John Farr, the president of the Ski club.

Including trips to Mammoth, Utah, Yosemite, and Badger Pass, the ski club took advantage of every school holiday to fulfill their obsession for skiing.

Officers were John Farr, president; David Vansell; Vickie Ashley; Debbie La Bianco; and Kari Opland, "See you on the slopes."

Strike Up the Band!

Under the able direction of Mr. Hal Rosenberg the Pep Band made the events of the year alive with music. They were omnipresent at the athletic events, adding to the color and excitement of the athletic play. And they were always available for the rallies and assemblies. Often we overlook the valuable part they play in boosting the school spirey did a fine job for San Clemente High in the 1970-71 school year. The student body thanks them.

Mr. Hal Rosenberg

Music Hath Its Charm

Under the direction of Mr. Richard C. Dastrup, two outstanding groups, added life and spice to many of the SCHS activities. They were the Madrigal Singers and Men's Quartet.

Unity and loyalty to the group have developed the Madrigal Singers into on of the most honored and respected singing group in Southern California.

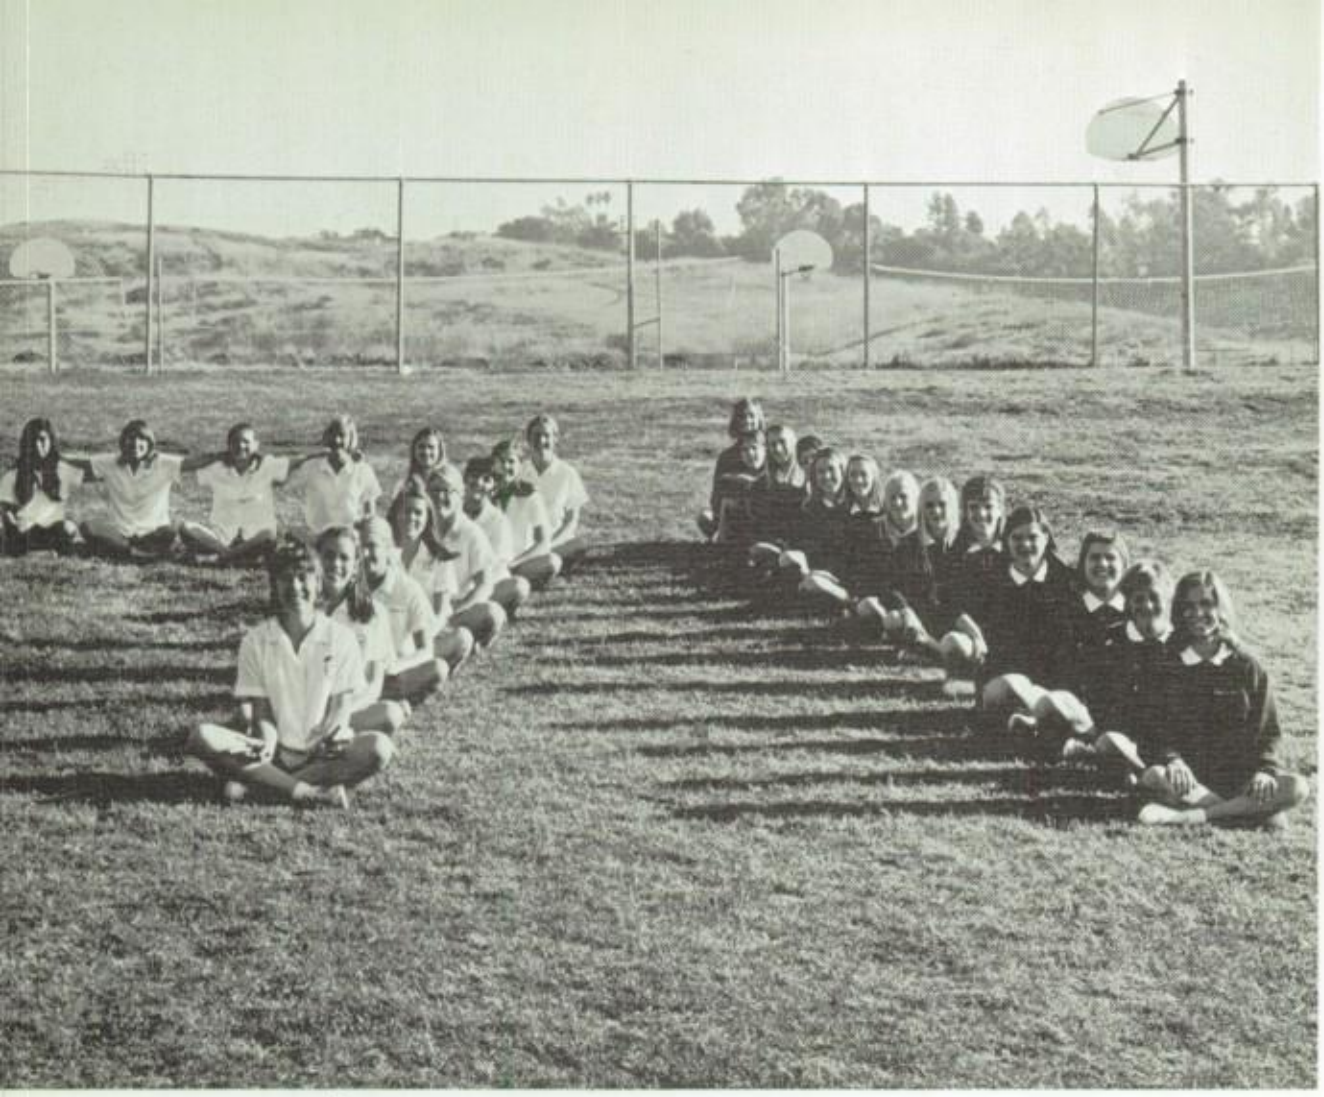
The Madrigals have performed at the 99 Club Convention, Corona Del Mar Madrigal Festival and at over twenty other clubs and conventions.

The group was selected in the last week of June 1970 by Mr. Dastrup on blend and attitude.

The second of the outstanding groups was the Men's Quartet. The Quartet was comprised of four senior boys who had a fervent interest in music. They sing all types of music, and often used guitar as an accompaniment.

They have performed at the Jr. Miss Pageant, GAA Father-Daughter Banquet, and the February meeting of the Latin-American Club. The four boys were re-organized in January and this year's quartet consisted of Mario Mainero, first tenor; Steve Hockett, second tenor; Steven Sharp, Baritone; Richard Bunkall, Ball.

G A A



Senior GAA girls show pride in their class of '71

"The purpose of the Girl's Athletic Association is to further the interest in athletics and recreation for girls. Also to promote a higher physical efficiency among the girls at San Clemente High School," stated Sheryl Jones, the President of the G.A.A.

Sponsored by Mrs. Cardello, Miss Hanson and Mrs. Lund, the club sponsored the Homecoming Dance and served at the Sports Awards Banquet. The 50 mile club was a new innovation. It gave a chance to girls to run 50 miles in 50 days, not to mention the opportunity to keep fit and have fun while doing so.

"G.A.A. is a very active club on campus, and is one in which the girls of the school have an opportunity to get involved in many activities. They also have a chance to become very involved in sports, some of which are competitive. The girls in G.A.A. work together. They learn to face responsibility. And they gain something of value to their lives," announced Sheryl.

Ranking members were Sheryl Jones, president; Claudia Vance, vice president; Peggy Toal, secretary; Vicky Woodard, treasurer; Peggy Finn and Darlene Meyers, sports managers; Jodee Duesk, historian; Nancy Russell, senior representative; Sue Knock, junior representative; Lisa Vance, sophomore represenative; and Pam Herbereck, freshman representative.

Debbie Wysomiersk

Flag girls perform in halftime shows.

Advisor: Miss Miller, Co-Captain Debby Austin, Captain Robin Michaux, Co-Captain Carla Griffin.

As always the drill team added color and interest to the football games during their half time shows. Their intricate field patterns and cadenced stepping kept the student body and the community aware of the long hours of practice they undertook. Not only did the team show itself to be precise and rhythmic at the games but it also showed itself to be an ambassador to Huntington Park and National City. The team participated in parades at both locations under the guidance of Miss Miller, the team advisor, and Robin Michaux, the team captain. Robin was assisted by co-captains Debbie Austin and Carla Griffin.

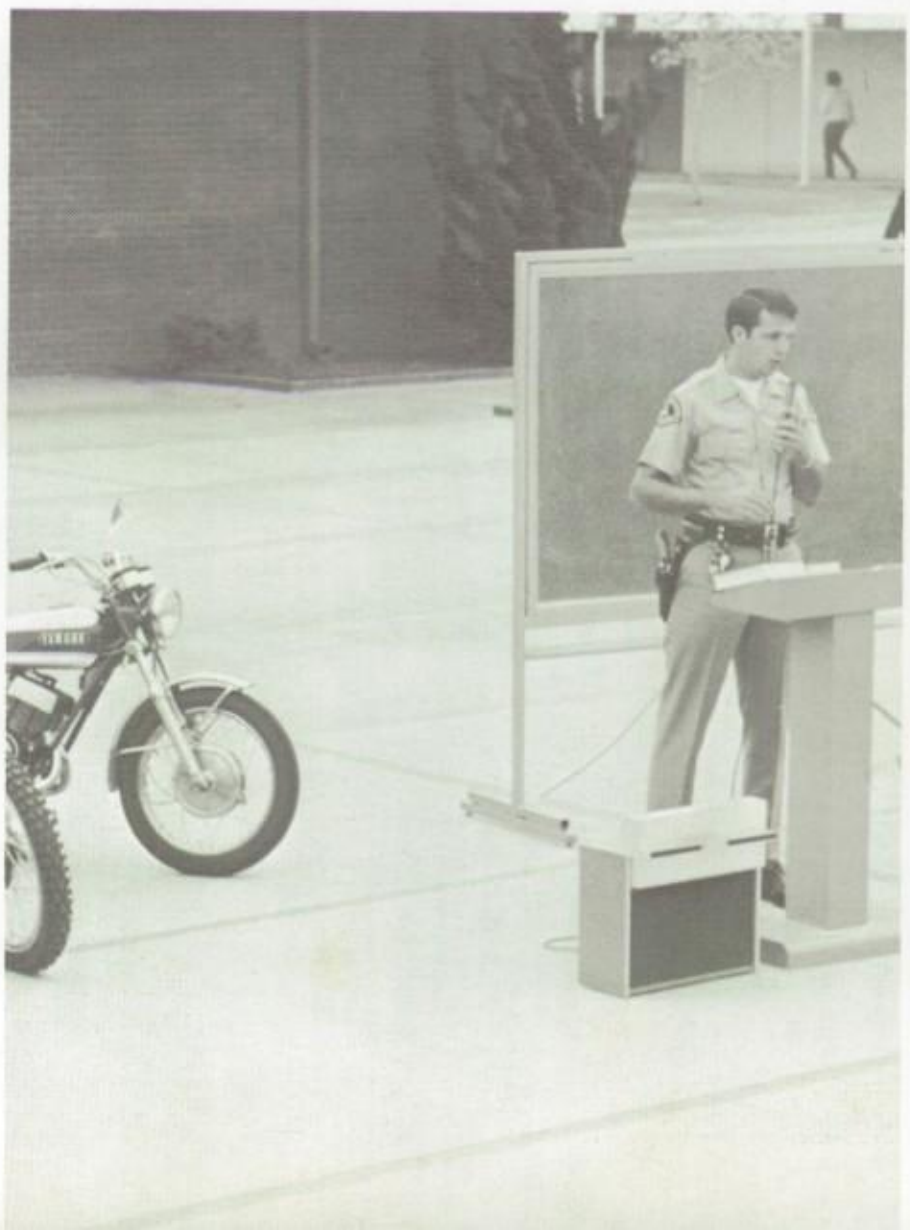
Pep Club Proud of S.C. Teams

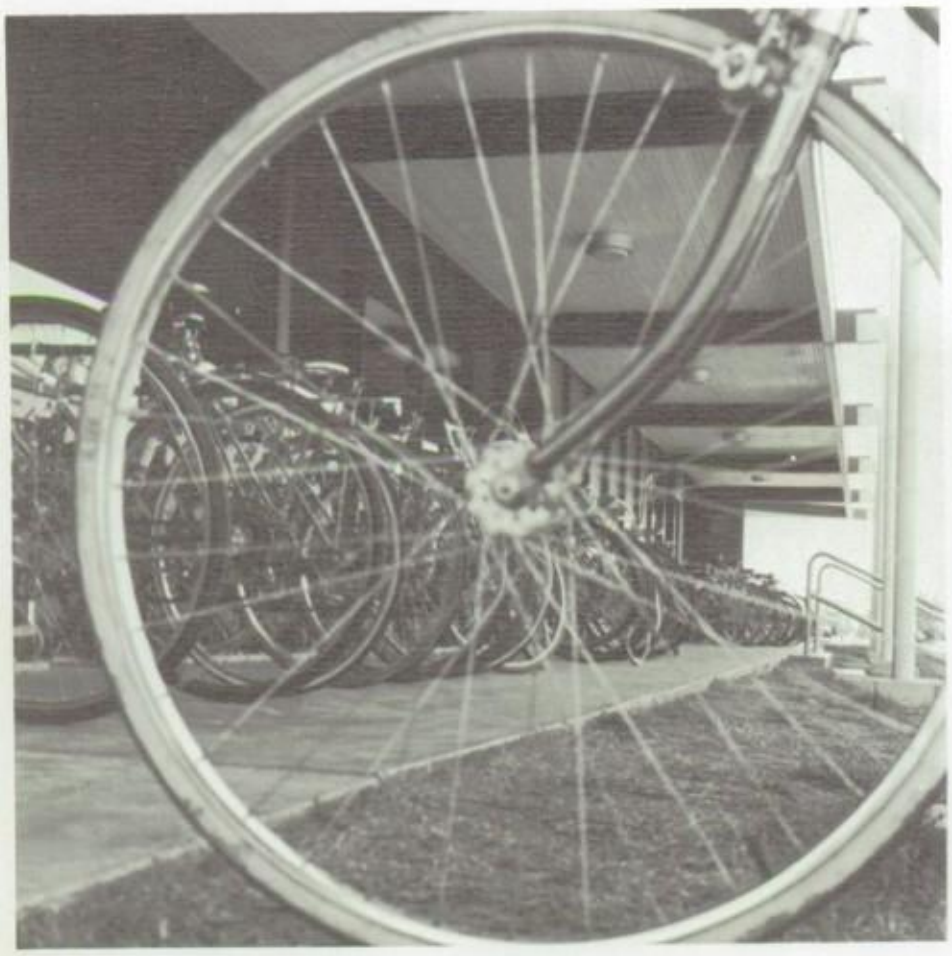
Once again the Pep Club provided the mainstay in the spirit at San Clemente High. Their vigilant presence at games and rallies helped push our Tritons on to victory. Their spirit, as always, was infectious. And more than one person said of the SCHS spirit this last year—"It was a great year for spirit." The girls put in long hours, merely attending the games, not to mention the time they spent mustering up and encouraging the rest of the student body to yell and yell and YELL!

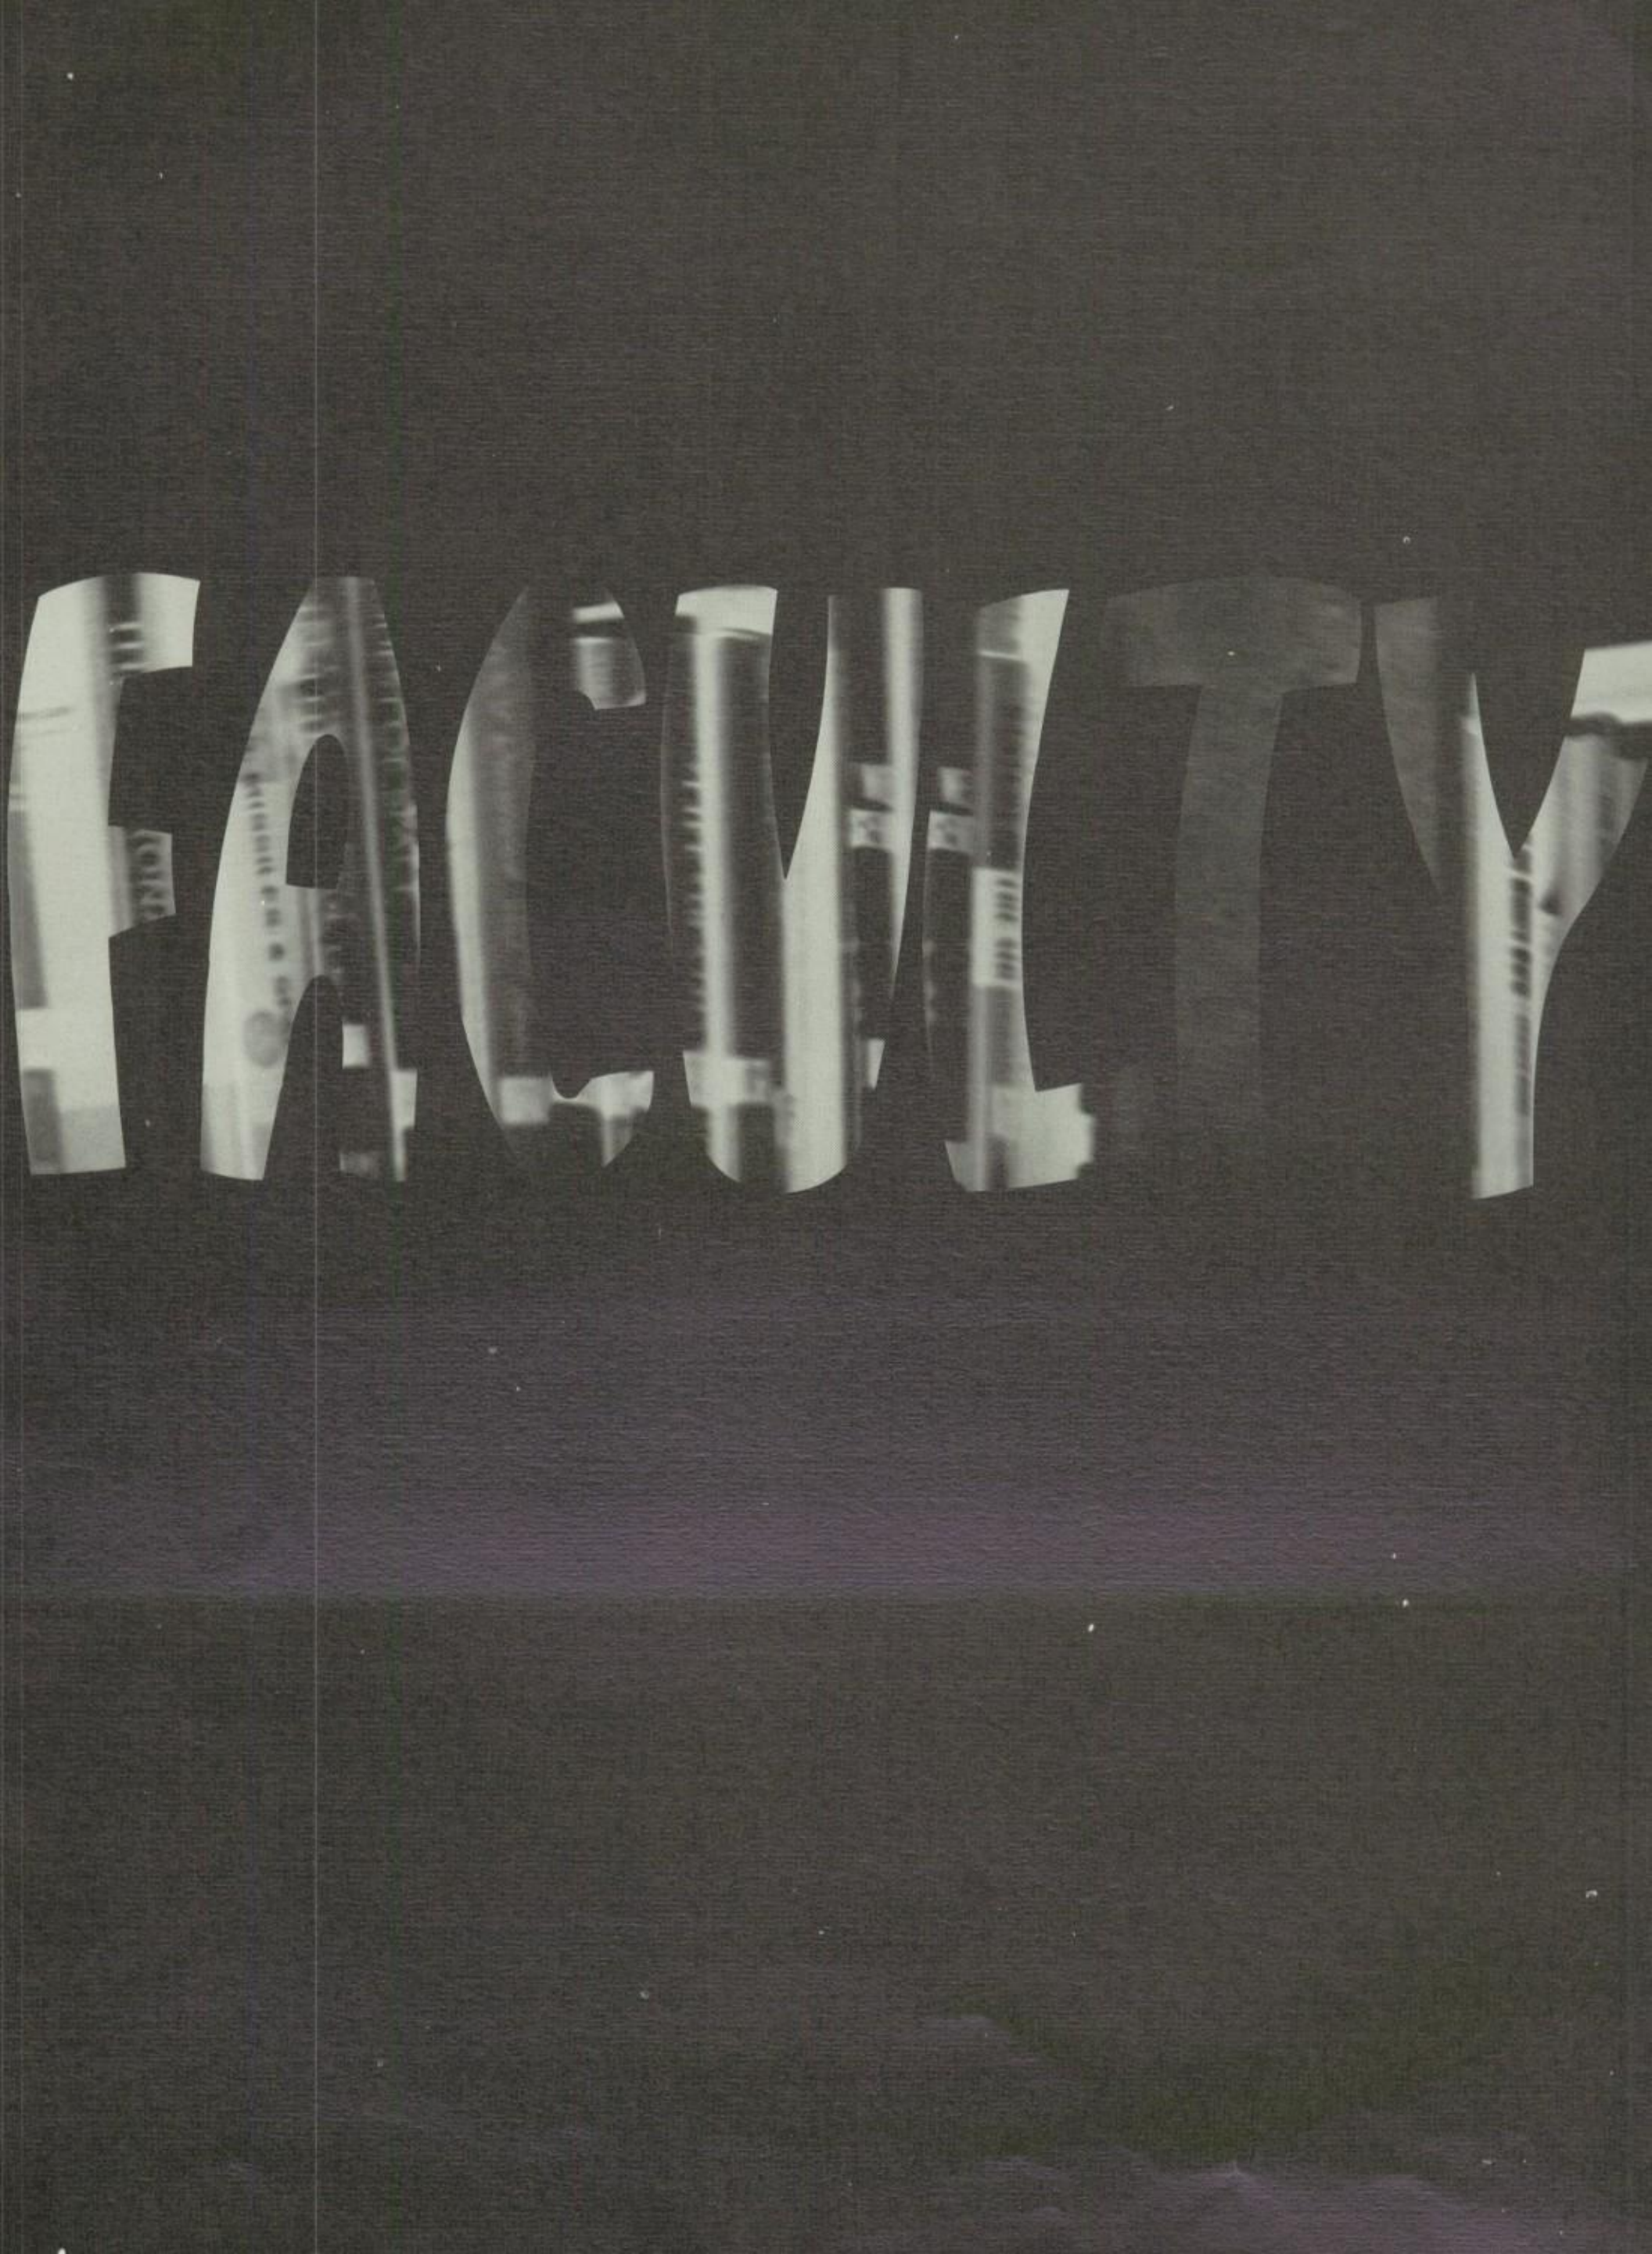
"Though we don't win every game," one Pep Club member announced, "we let the teams know that we're behind them." Both coaches and team members acknowledged the importance of having school spirit and school support. Thanks girls.



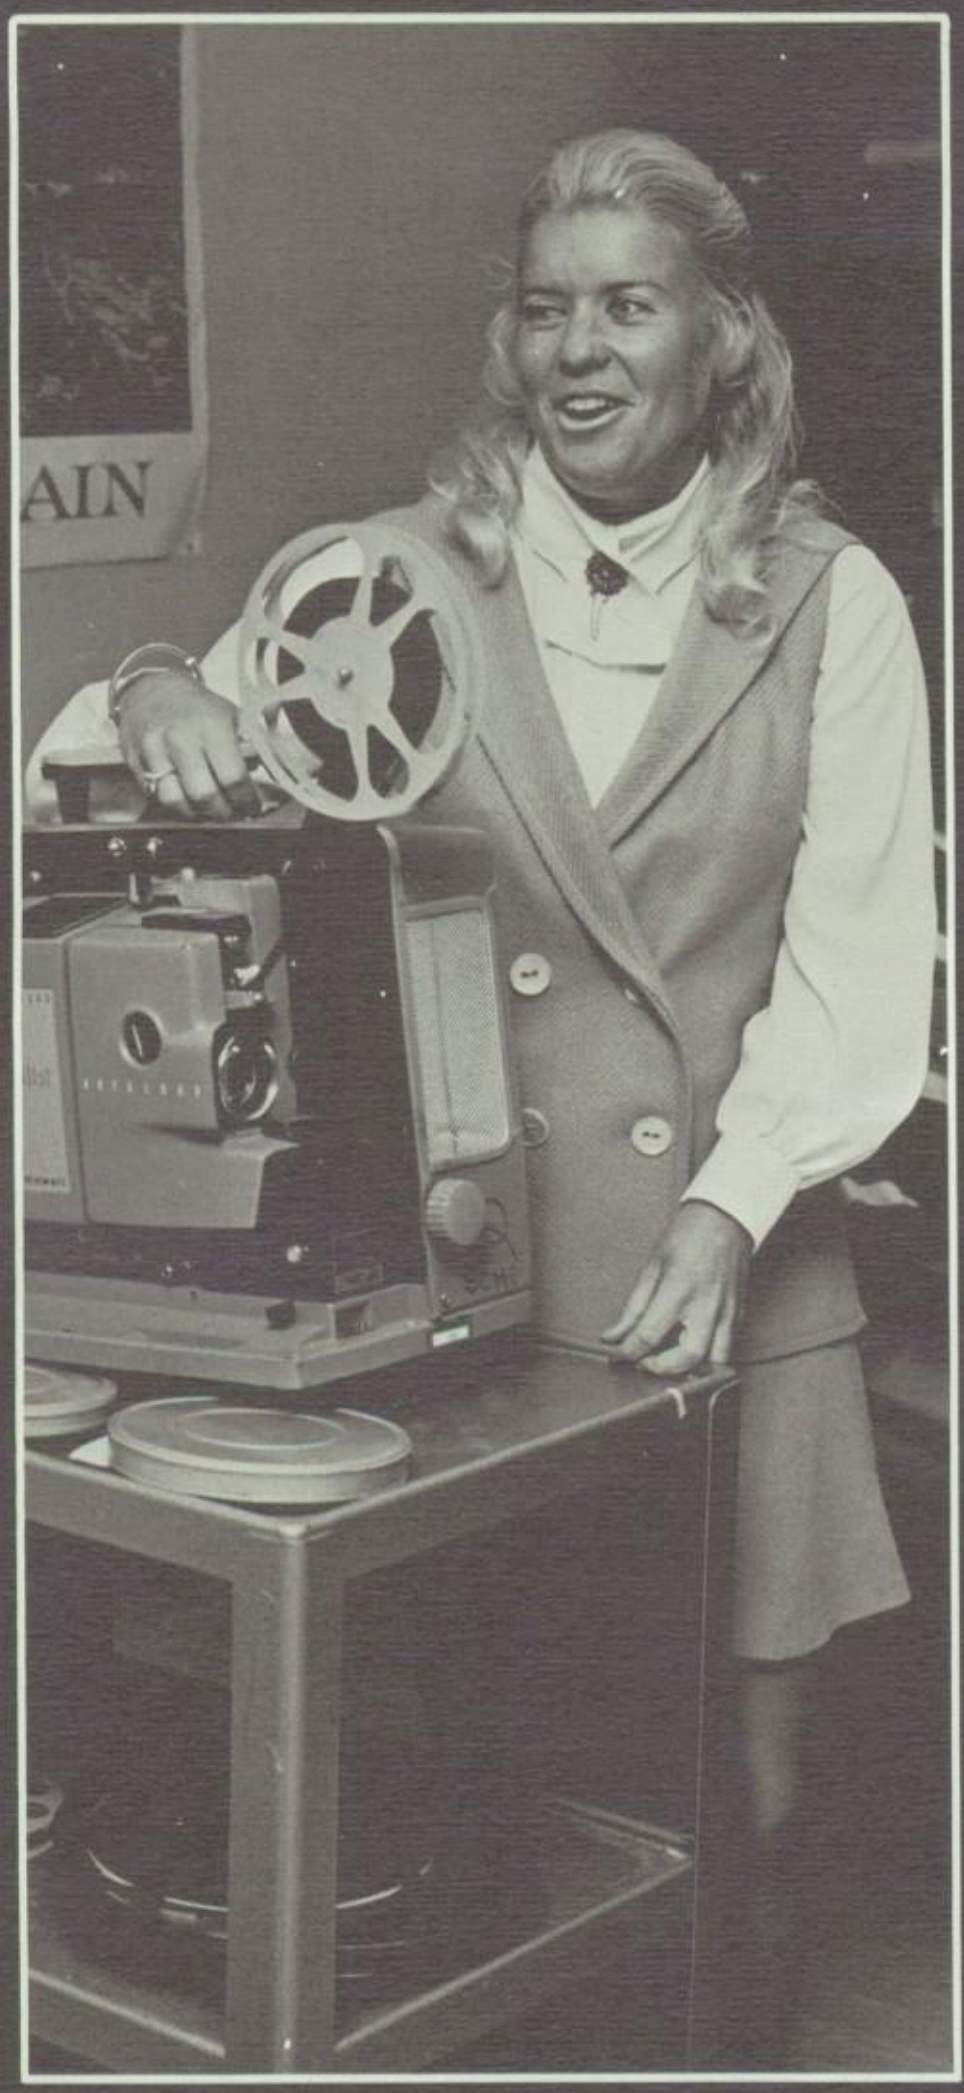
Hello!

Good-Bye

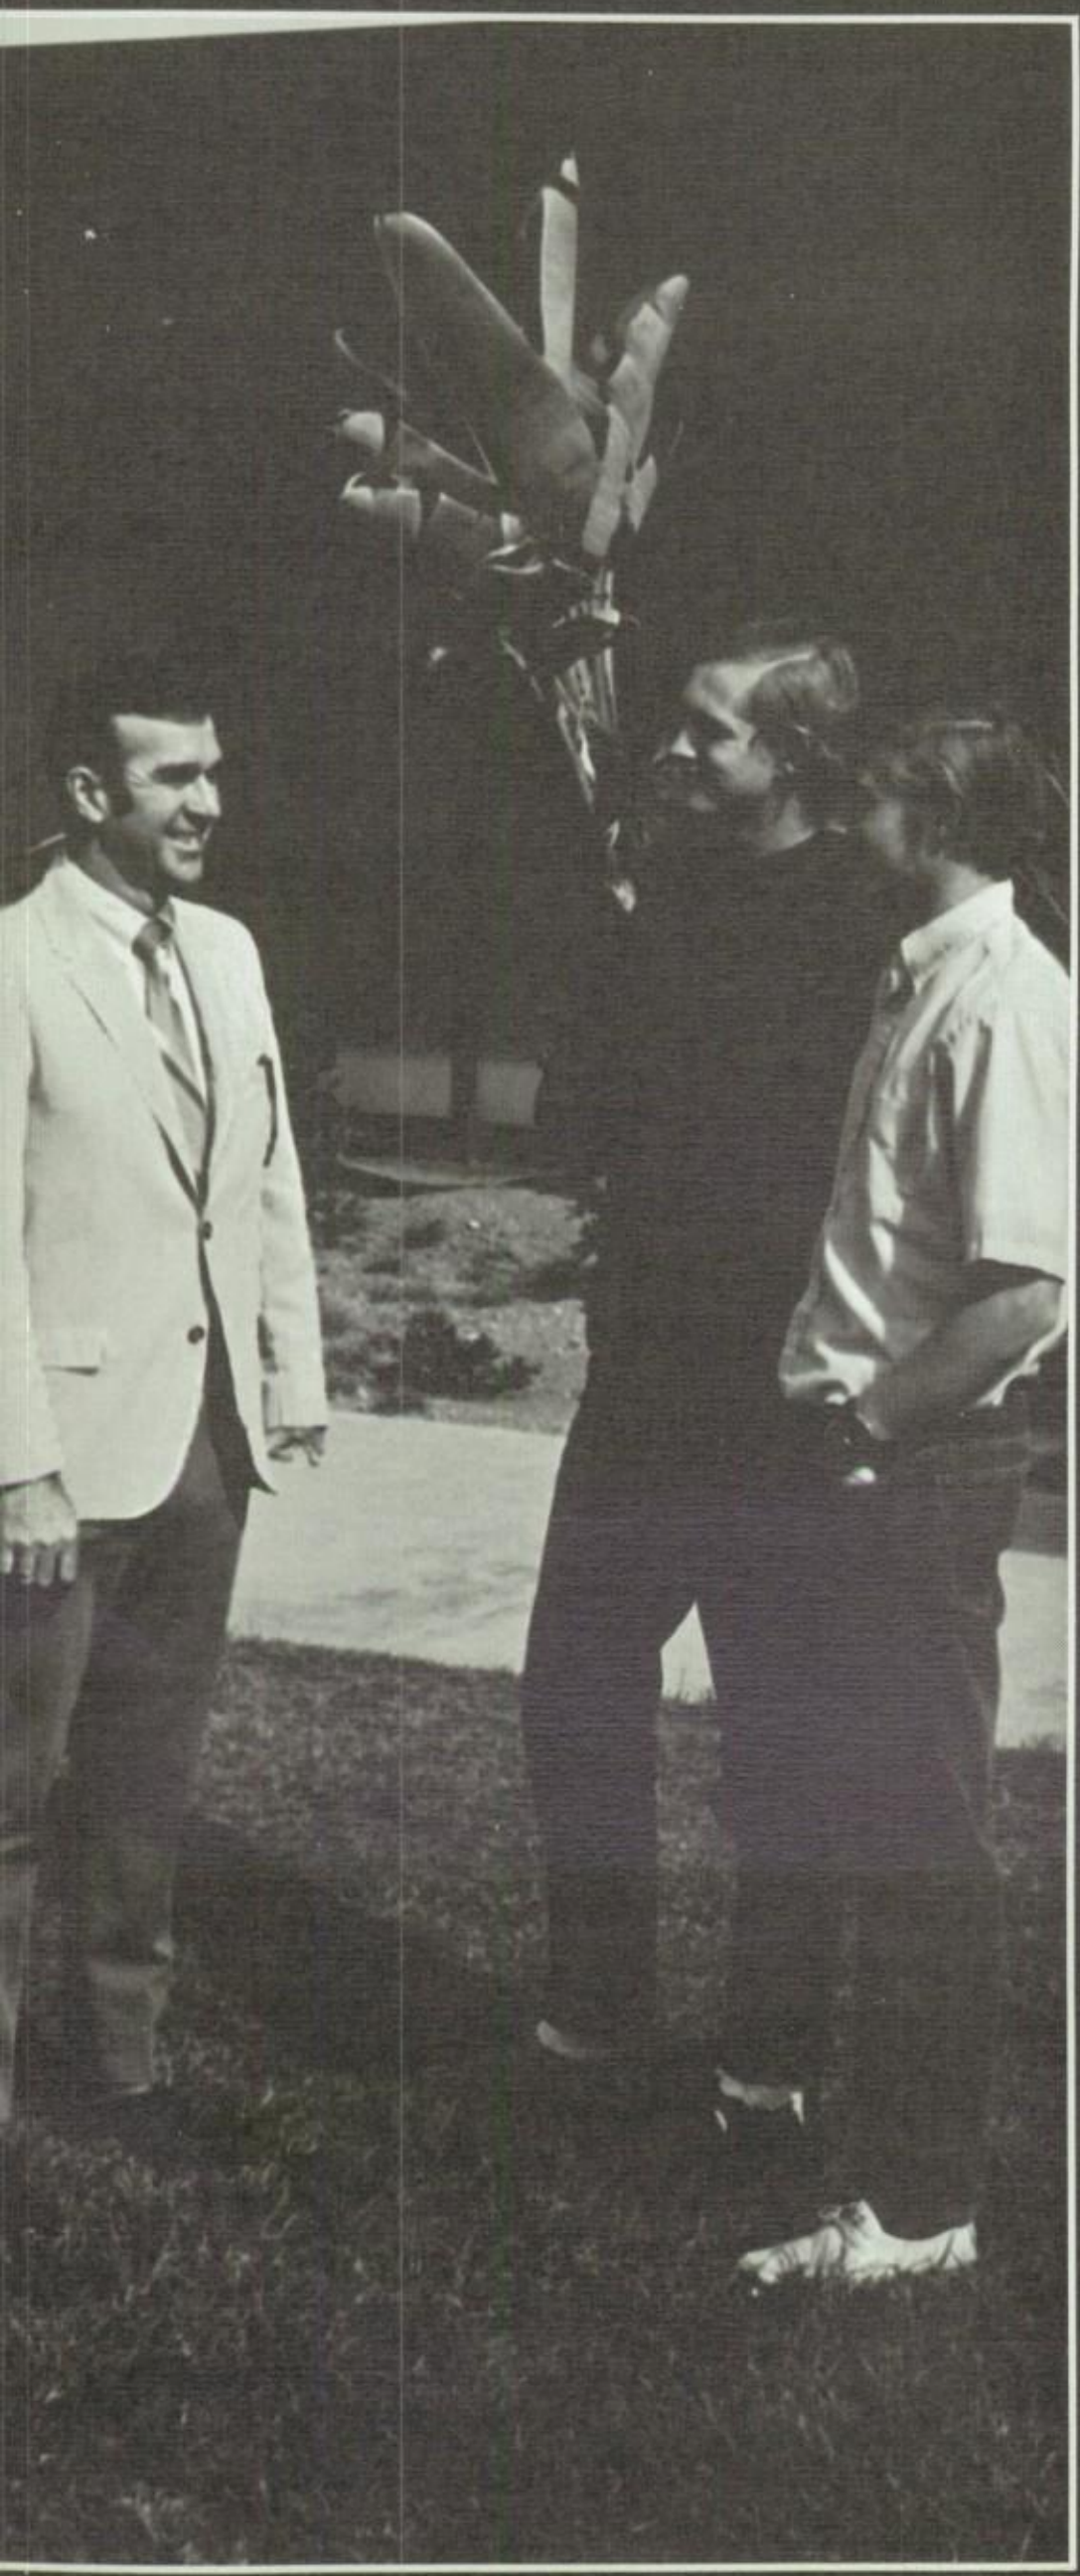




FACULTY



AIN



This year's annual is a reflection of you. Contained in these pages is a pictorial history of what the students of San Clemente High School accomplished during the 1970-71 school year. I am sure that you will read this annual with mixed emotions. In many cases, you probably feel you could have done more to fulfull your dreams, your ambitions, your capabilities—this is only human nature. In reality, most of you were extremely productive. You made the most out of your opportunities. You participated in many positive ways in school connected activities. You contributed to a very successful school year.

But, one cannot look back over a year just completed without honestly thinking about the unaccomplished, the undone. If you failed yourself by lack of accomplishment this is unfortunate, but not a disaster. There is you, the individual you. What you are capable of tomorrow, is contained in you today. There is a significant difference between what you are today and what you can become in the future. Part of the process of education is to help each person develop an identity and relationship with himself as an individual to the world, the culture, and other people. The high school years provide a time for young adults to develop a feeling of who you are. This is a time to try different personalities and behavior to discover the person you feel the most comfortable being. Maturity comes when a person is able to express his real self without fear of being different or having to conform to the image of peer groups.

The Class of 1971 is well on the way of having developed a real identity, a real you. Good luck to you seniors, in your FUTURE ENDEAVORS. To the underclassmen, may your search be successful for the best that is you.

THE ARTS OF LIVING

LIVING EACH DAY

Each day is a lifetime in miniature.
Anyone can rise above fear for a day and meet each situation with courage.

COURTESY

It is the wisdom to know that we should love before we think and think before we act.
It is appreciating what others do for us and letting them know it.

HOPE

Hope comes first, life follows. Hope gives power to life.
Hope is man's shield and buckler against defeat.

HUMILITY

The art of humility begins with a recognition of our dependence on others and an appreciation of God's gift of life.
Because man knows so little about so much he becomes teachable, open-minded and flexible. He never stops growing.

TOLERANCE

Tolerance towers above differences. It is bigger than race, color, creed, or politics.

COMMON SENSE

Common sense recognizes the utter senselessness of war, the irrationality of using death, suffering and destruction as a way of settling disputes.

JOY

It is a blend of laughter and tears. Often it is the deep joy that comes to you through the mist of the years as you recall tender memories of joyous days gone by.
Joy is the flag you fly when the Prince of Peace is in residence within your heart.

EDUCATION

The art of education is to continue to grow as long as you live. Grow a larger concept of education. Every moment brings its lesson. Every person is a teacher. Every place is a schoolroom. Grow in new directions. Do not stagnate in the backwash of outworn tradition. Respect the and learn its lessons, then be alive to inquiry and change. Explore new areas and ideas.

Grow! Man is never finished. Man never arrives. Education never stops.

From More About the Art of Living by Wilferd A. Peterson, published by Simon and Schuster, Inc.

Come on guys, and stop eating the books!

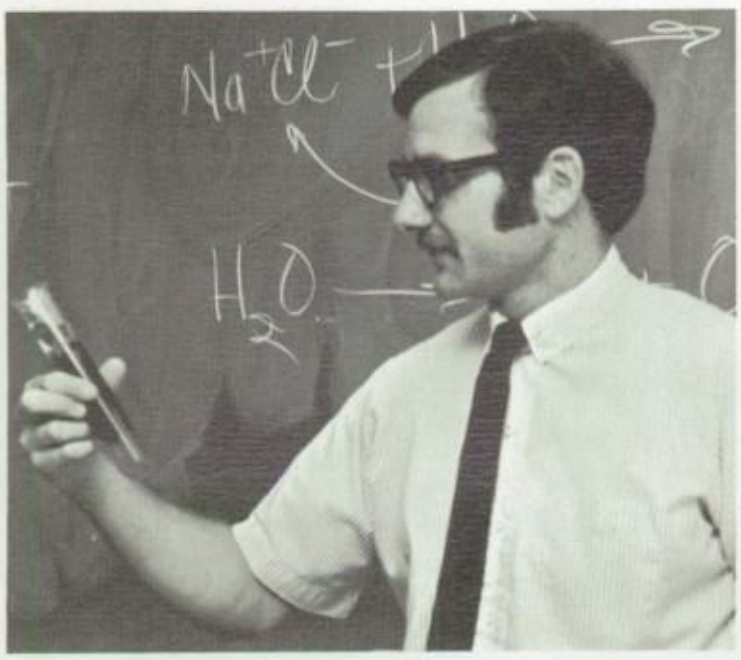
I didn't put that tack on your chair!

Casper the friendly ghost.

TIGER!

Momma Mia! That's a spicy yougart cup!

Huh?!

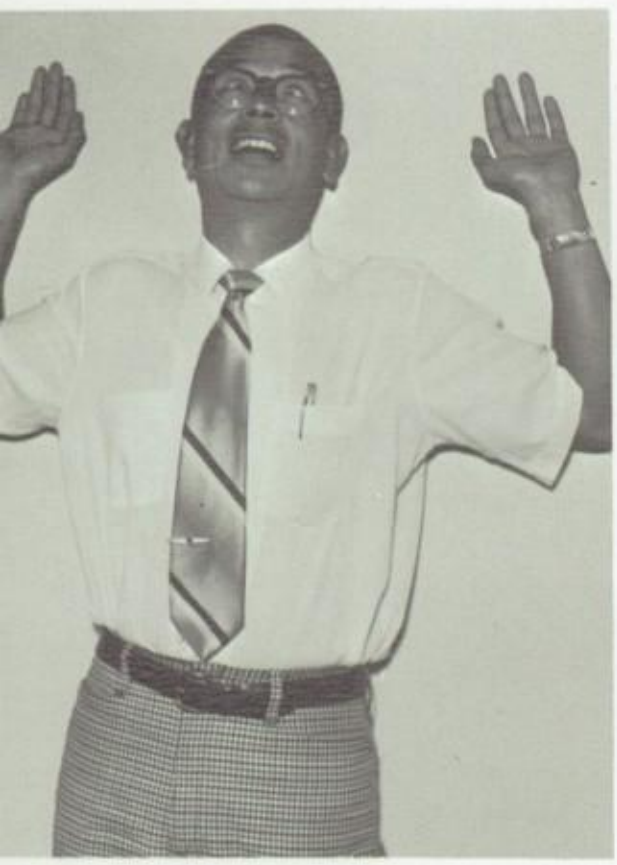


Love Potion #9

Can't get enough of those mountain bars!

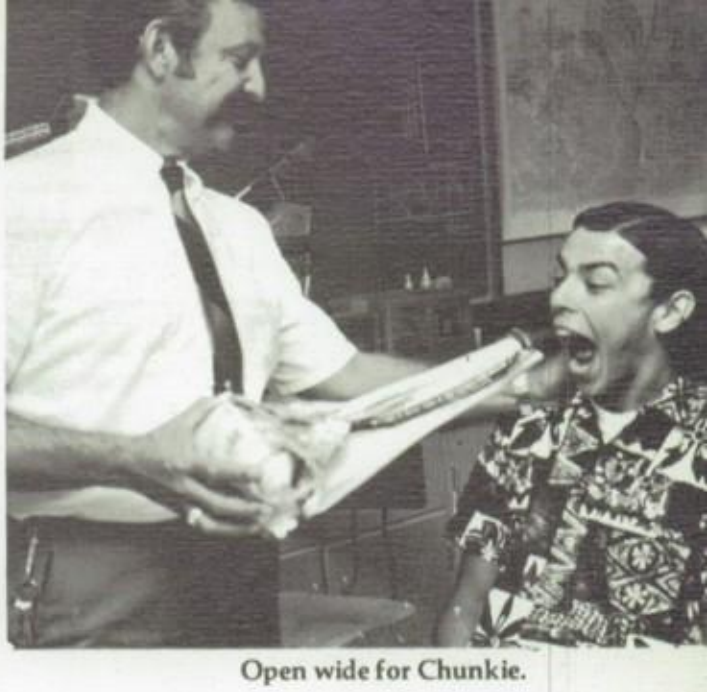
Guess who had his Wheaties this morning?

"What kind of fool am I?



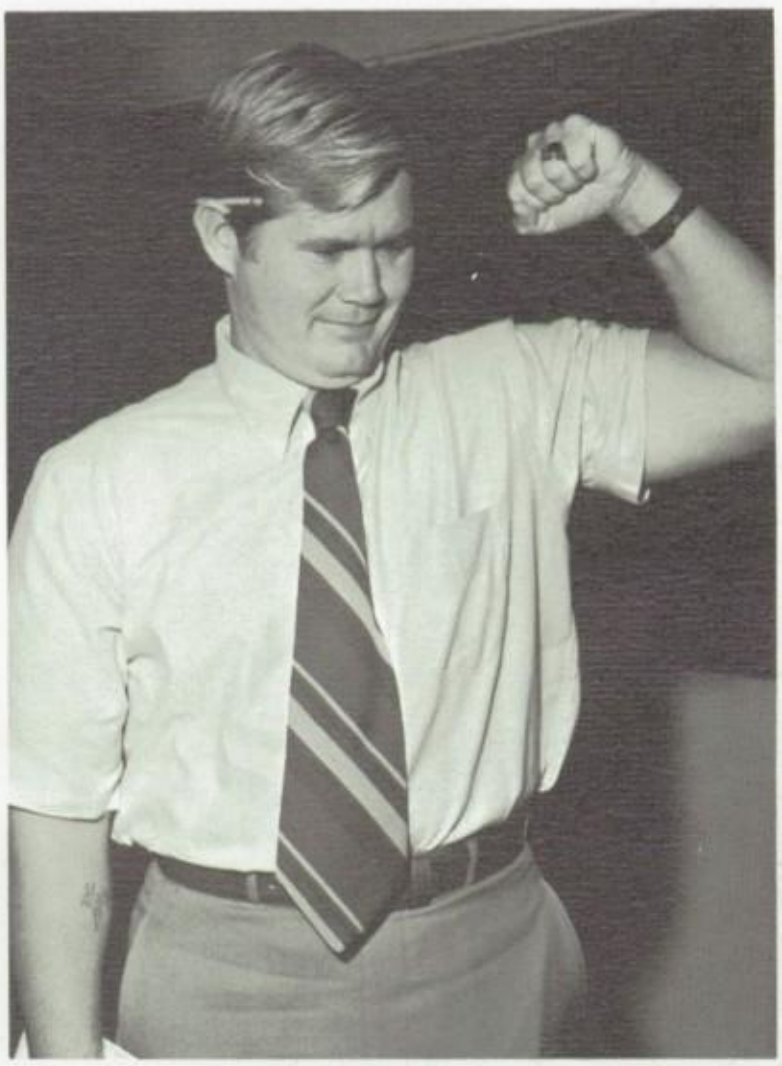
Mao's Right Hand

"The Last Lun·h"



Open wide for Chunkie.

Who put the water on my seat?



The Pillsbury Dough Boy

Does anyone have any fives?

. . . While visions of sugar plums danced in his head.

Everyone trys to get into the act.

Coach Niedhart

Football

The football season of 1970 resulted in two things: One, the Tritons ended with a winning season for the first time since 1967. And two, they established themselves as a power in the Crestview league.

Enthusiastically supported by the student body, the team beat Laguna Beach, Foothill, Tustin, Mission Viejo, and El Modena. When the season was over and the dust cleared, the Tritons were in third place.

Following the old adage—"A good offense needs a good defense"—the San Clemente defense was feared throughout the league. Led by such "headhunters" as Tim Duvall, Ray Cannavo, and Nolen Boyer, the defense was not only efficient but powerful.

And led by quarterback Keith Gibson, the offense did its job too. It provided a powerful running machine. Clark Jarrett, Tom Morris, Bob McNamara, and Ray Cannavo compared with any runners in the league. Of course, Gibson's potent passing also accounted for many of the scores. The prime receivers, Anderson and Allavie snatched many out of the air.

The crowning achievement for the Tritons was beating second place El Modena in the last game of the season. The Tritons were spoilers. "I think that the victory over El Modena could be considered the greatest accomplishment ever acquired by a San Clemente football team," stated interior defensive lineman John Gligo.

1970 was a very good year for football for the San Clemente Tritons.

Thinclads

Under the direction of new head coach, Ray Reeves, the cross-country team completed another successful season. Sparked by the leadership of junior Tim Smith, the harriers compiled a 6-3 overall record in dual meet competition.

The thinclads started their season with non-league meets against Brea and Bolsa Grande, both which endedin victories for the Tritons.

Going into league with a 2-0 record, the varsity had high hopes of capturing a championship flag, but those thoughts were quickly dispelled by Villa Park, when they handed a 24-32 loss. More losses followed Foothill and El Modena.

Bill Ayer wins easily

rip

So what could have been a great season, turned into a good one.

During the season, the harriers were led by the performance of Tim Smith, who in his first year on varsity became number one runner. A disappointment to the team was number one man, Bill Ayer. It was expected that Ayer would come close to school records, but unfortunately he did not meet up to his expectations. Another important runner was the third man, Bob Garcia. Garcia came through with many decent runs to complement the first two men.

Other performers on the varsity were, Steve Hughes, Brian Peter, and Rich Linebach.

Tim Smith kicks it in for first

Varsity Basketball

This year's basketball team under Coach John Baker had five guards, six forwards, and one center. The guards were Craig Anderson, Pete Sellers, Rick Bauer, Steve Cope, and Carlos Luna. The forwards were Chris Ellinor, Steve Peter, Howard Valore, Dave Sharke, Brad McCaslin, and John Allavie. The center was Steve Kalota.

In non-league play San Clemente's record for the year was outstanding, including wins over several high ranked teams. But the league play was not up to expectations.

Considered to have a good chance at the league championship, the team ran into stiff competition and a lot of bad luck. With several overtime losses and one or two point defeats, the Tritons chances looked slim. With the loss to Katella in a triple overtime the Tritons lost all hope.

Bauer, a Sixty-Foot Jumper?

In the middle of the season, at Orange High School, during a very close game, the excitement mixed with an extremely small gym, produced a fight after the game. Although the blame was never officially established the fight marred the basketball season.

Another unfortunate reason for a couple of the losses was an epidemic of bronchitis and the flu which swept over our school.

Even though the record season was less than glowing the team inspired spirit.

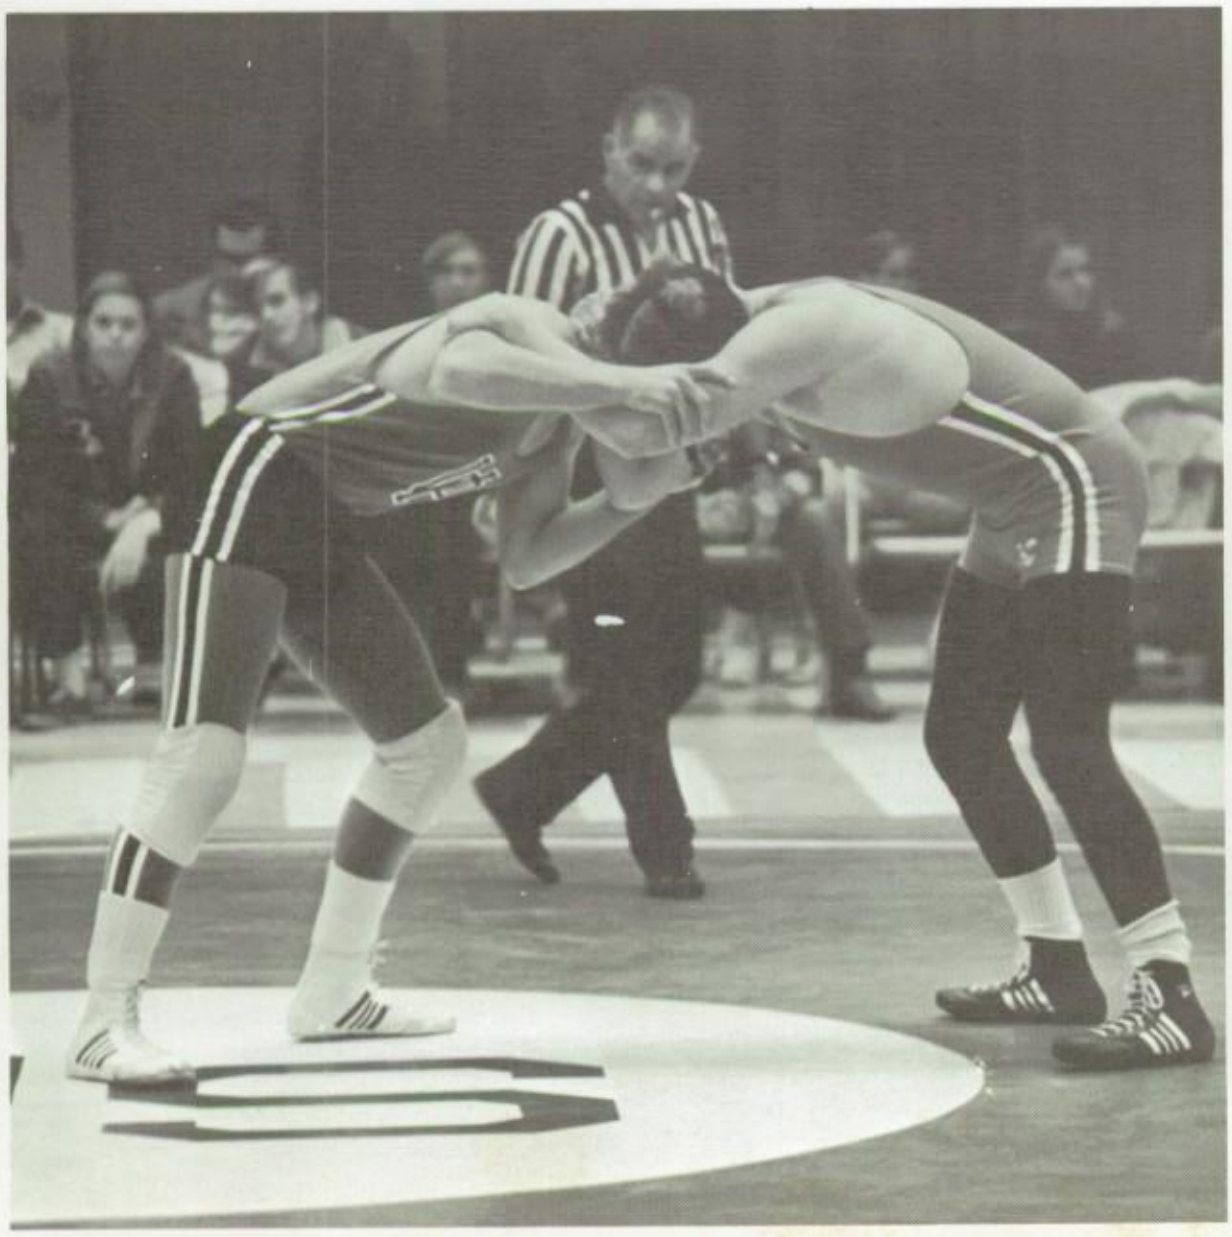
Wrestling

Shall we dance all night?



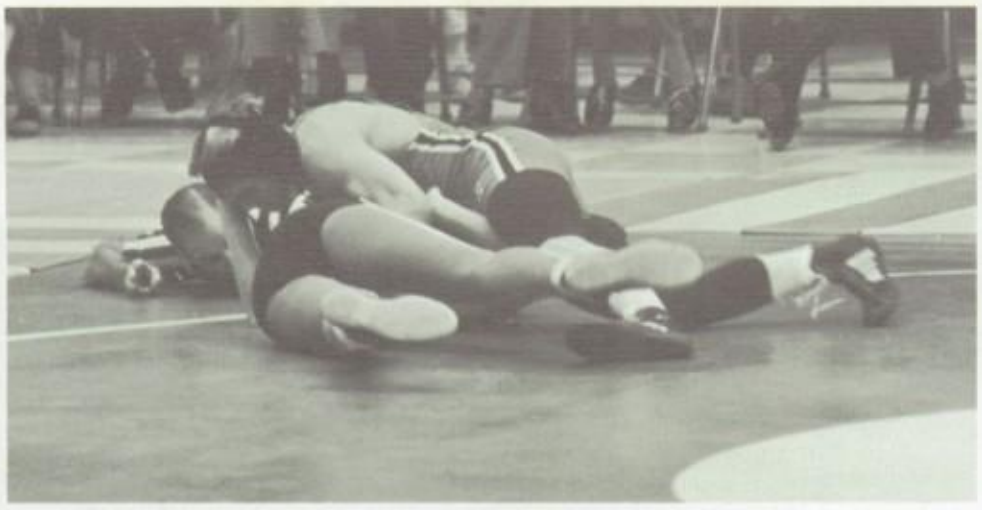
San Clemente's varsity wrestling team had its finest season this year. Coach Phillip's crew put in fine performances in all weight divisions. Some of the leaders in these categories were Joe Loge (136 lbs.), Clark Jarret (141 lbs.), Dick Anderson (157 lbs.), Ralph Braun (178 lbs.) Bill Madden (189 lbs.) and Big John Romero (210 lbs.).

This year's team had some colorful nicknames. Clark Jarret was referred to as "little Bruiser" and Joe Lopez was the "Human Muscle".

San Clemente's Dick Anderson, who finished his fourth year of wrestling, went along with Ralph Braun to the CIF finals. Both faired well.

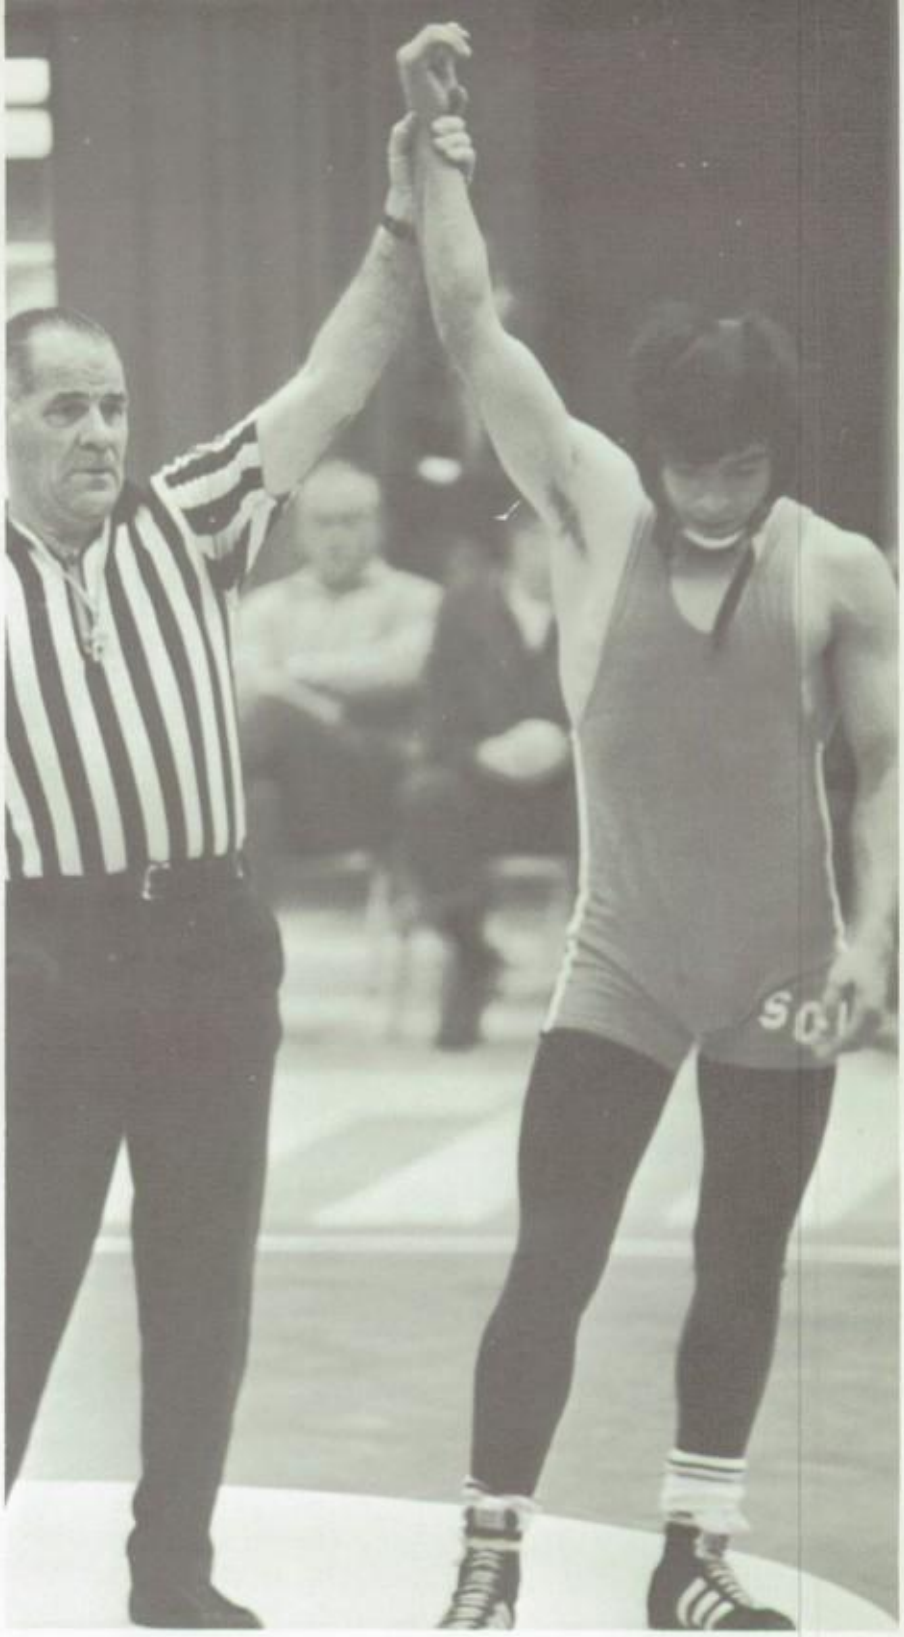
The individual records were good. Ralph Braun, however, won the greatest number of matches. Clark Jarret was known as the scrappiest on the team. And John Romero won every match this year by using his favorite hold, the "cradle hold". Bill Madden, who played first string center during the football season, set a record by pinning his opponent in the first 20 seconds of the first round.

The team distinguished itself and had a very good year.



Jarret on top!

Greetings. . . and Salutations!



The Winner!

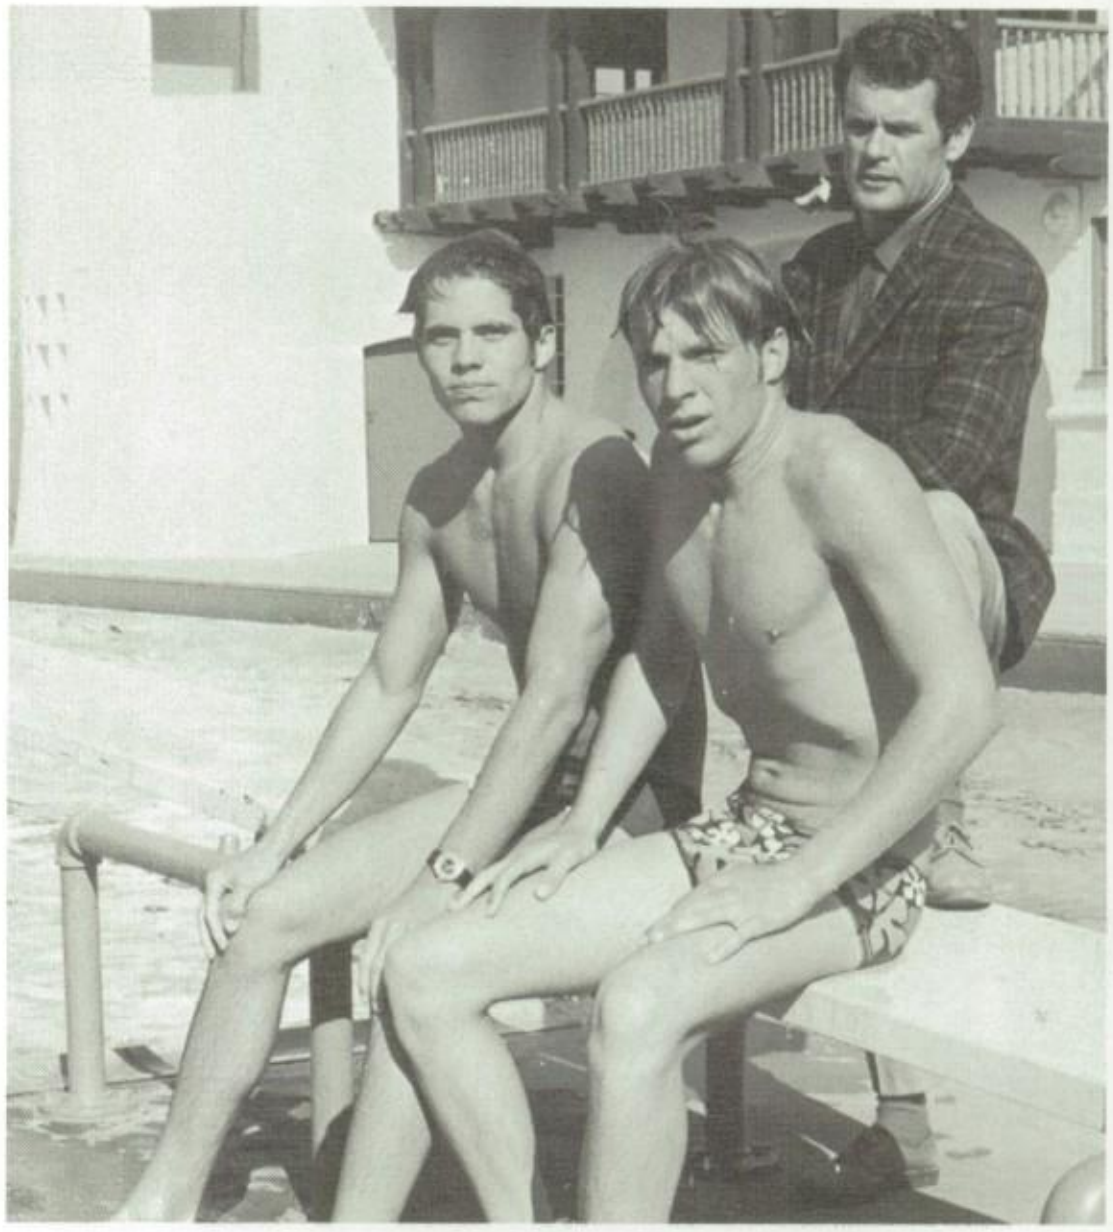
Swim Team Has Great Season

Varsity Coach Cummings was very proud of the youngest Triton team ever. The team tied for second place in the Crestview league championships. It also chalked up an outstanding 3-loss, 18-win record. And all this was accomplished with the help of only two seniors.

The outstanding underclassmen were Duncan Wilson, Mark McCartan, Pat Linebach, Scott Bruce, and Rich Talcott. Veteran performers Dana King and Tim Springer gathered the most points for the fighting Varsity team. Joel Hartman and senior Wayne Burris were the co-captains of this year's colorful team.

To top off the year, six Tritons qualified for the difficult CIF championships at Long Beach State. How much more can a team do? Apparently something more—in the area of water sports—for next year the Tritons hope to star in water polo for the first time. If the swimming team records of the last few years indicate success for the future, the Tritons are bound to have a championship water polo team.



Coach Cummings with Steve Diamond and Wayne Burris. He knows how to turn out the talent.

Sproul skims the top.

Track Breaks New Records!

"The attitude and desire of the 1971 track team is to be congratulated," stated Coach Bob Radford. Undoubtedly the coach was pleased with his team. The '71 team displayed a lot of hard work and its work paid off in competition against other teams in the league. It was a well-rounded team, doing well in almost all categories. However, it did have its particularly strong areas. We did well in the long distance and sprint events.

Some of the outstanding performers were Bob Frye, 100 yard dash; Brad McKenzie, 220; Steve Peter, 120 high hurdles; Tom Morris, 180 low hurdles; Tim Smith, 2 mile run, Val Gednov, shot put; and Vern McGarry, high jump.

One of the major interests of the year was Tony Hoffman's breaking of the pole vault record. However, the glee was short lived. Tony was out for the rest of the season with a broken ankle. A few other injuries hurt the team, but by the end of the season the team had performed well and pleased coaches and student body alike.

Varsity Baseball Has Fine Season

Coach Adair's 1971 Varsity Baseball team was one of the finest teams to take to the Thalassa field. The team ended the season with a more than admirable record, contending for the league championship.

One of the main reasons for the team's outstanding record was Coach Isaac's pitching staff. It allowed the least hits in the league. The excellent outfield of Sellers, Kiernan, and Gibson backed up ace pitchers Paramo, Douglas, and Nielsen. Tim Wright, catcher, called the pitches for the battery. Reschan, Johannes, and King kept the opposing runners honest, while the gap between second and third base was filled by shortstop Craig Anderson.

Tennis Season Exceptional

Under the direction of Roger Frost, the 1971 Tennis team was exceptional in league and non-league play. Led by outstanding performer Keith Limberg the team volleyed its way into and out of many tight but successful matches.

Number two man was Rick Wagner. The number one doubles team consisted of Nick Maddsocks and Mike Dowling. The rest of the team was Greg Cope, Bob Lemberg, Doug Ralls, Bob Sagely, and Don King.

The team was a shining example of the perseverance and style.

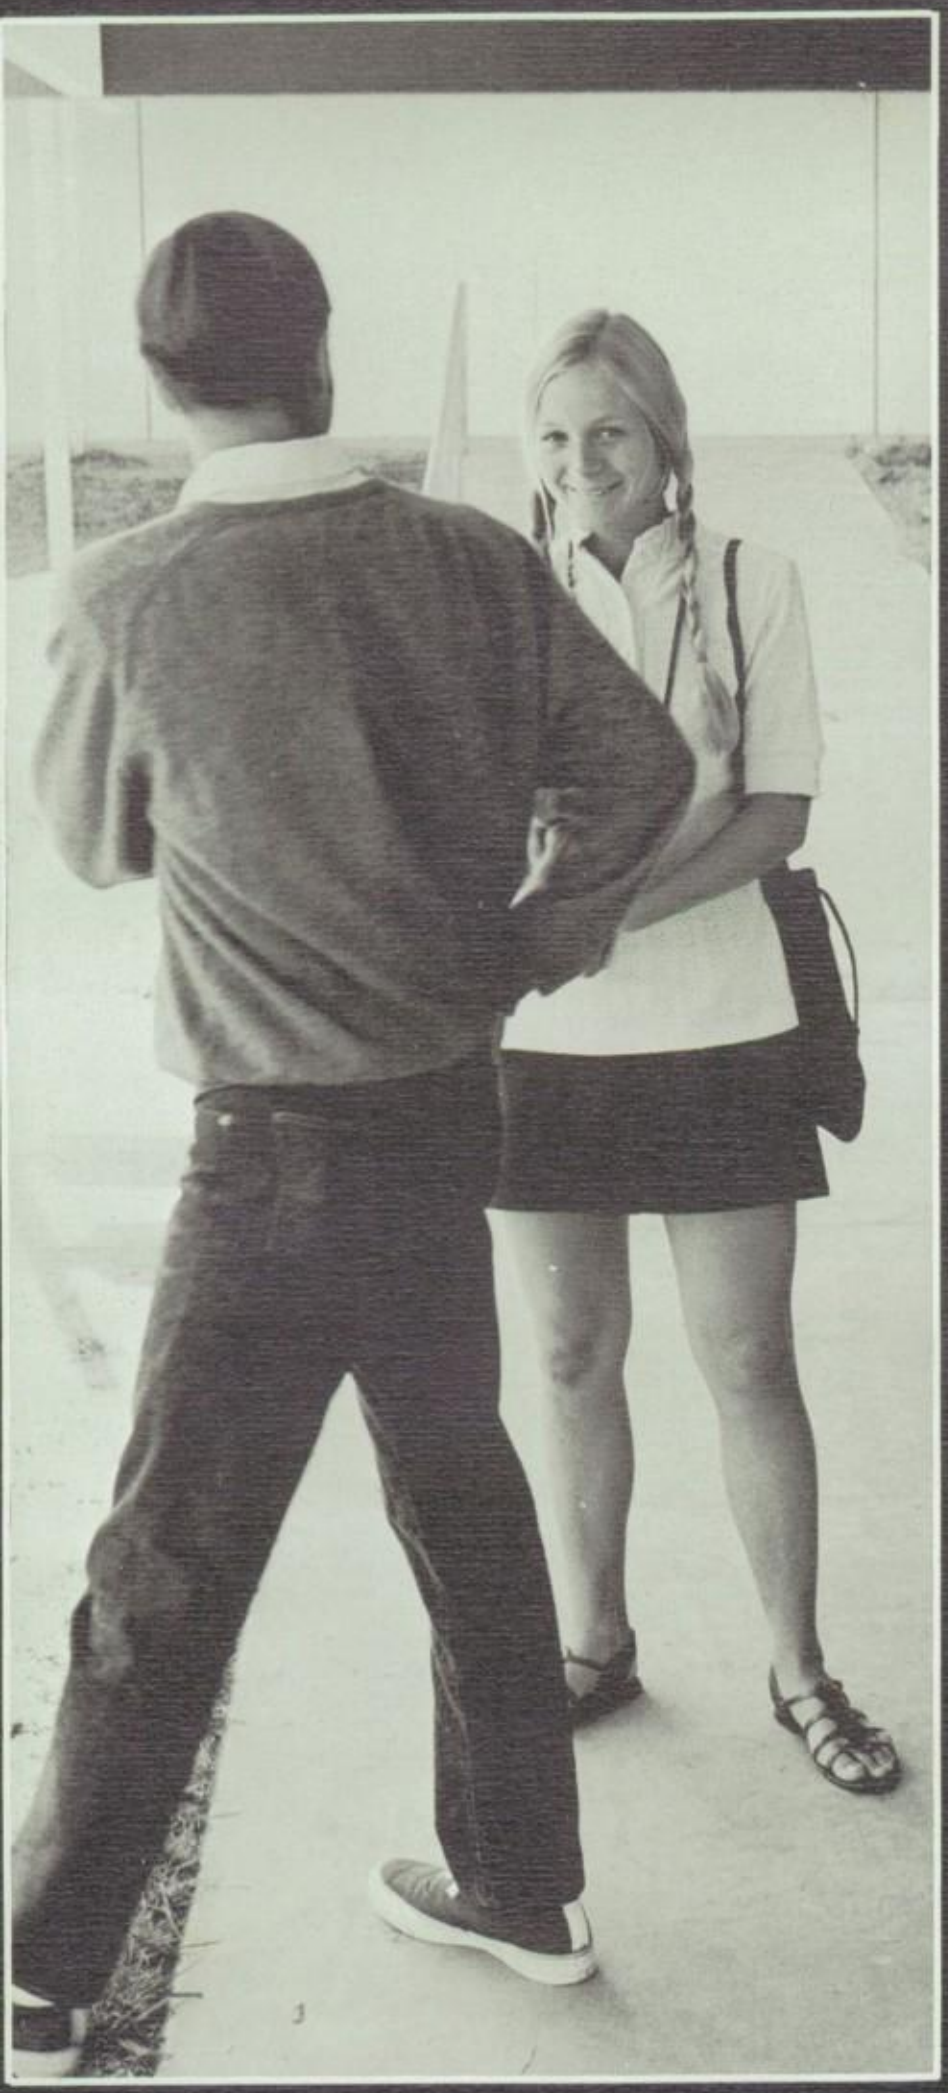
CLASS



Senior Class Officers: President, John Russell; Vice President, Brandon Birtcher; Secretary, Chris Berney; Treasurer, Marcia Mitchell

Graduating

"We're the best and we know it."

This statement by John Russell typifies the spirit and exuberance demonstrated by the class of 1971 during its four years at San Clemente High. Russell, the senior class president, went on to say, "We've proven ourselves these last four years and all of us intend to continue our enthusiasm, pride, and aggressiveness in the years away from S.C.H.S."

The senior class cabinet of 1971 moved forward carrying on the tradition of senior classes before it. Senior privileges were sought, fought for, and secured. New traditions were established.

"Our main goal this year (70-71)," Russell stated, "was two fold. One, we wanted to begin new and different traditions. And we did. The senior weekend in the mountains was but one example, senior ditch day was another. At the same time we continued with senior class card discounts, class float competitions—in which we took a first place—, and the outstanding senior athletic awards. Our second goal for the year was to establish a fantastic graduation week through creative thinking. We hope we are successful."

Don Steffenson

Secretary
Mary Sheppard

Treasurer
Jody Tyson

Juniors Class of "72"

Junior class officers take a break from their busy schedules.

Led by Clark Jarrett, the class of 72 was one of the most active and successful junior classes ever to attend San Clemente High School. According to Clark, "The one key person to the success of the class of 72 was Mary Shepard, the secretary."

The big event, of course, was the junior-senior dance. This was the one activity that took the most time and effort of the juniors, but they still had time for candy selling, and various other activities.

A junior sponsored dance after a football game, which netted about $240, was so exciting that they were forced to refuse admission due to the capacity crowd.

The Powder Puff Game, the first game of its sort, was such a huge success that it will probably stand as a tradition in years to come. That football contest between the senior girls and junior girls netted approximately $320. Incidently, the junior girls won.

The junior class cabinet consisted of Clark Jarret, president; Don Steffenson, vice president; Jody Tyson, treasurer; and Mary Shepard, secretary. Probably the whole junior class in the year of 71 could be summed up with this statement by Clark Jarrett-"The class of 72 has the spirit."

A little work, a little play
To keep us going—and so, good-day!
A little warmth, a little light
Of love's bestowing—and so good-night!
A little fun, to match the sorrow
Of each day's growing—and so,
good morrow!
A little trust that when we die
We reap our sowing! And so—
good-bye!

Climbing the Heights

Freshmen; Class of "74"

The freshman year is always the hardest. Jeff Maughan , the Freshman Class president was aware of this as well as anyone in the class. He realized as others did that their are growing pains to being a freshman. "We are here to organize and to prepare for the next three years and we want to make this class the best class this school has ever seen." Those were the goals of the class. If they will hold true to their ideals remains to be seen. If their first year is any indication of the years to follow, they will succeed. The freshmen involved themselves in many activities, originating and sponsoring and generating excitement. They held dances, fund raising sales and showed their spirit at the rallies and games.

"We're ready to learn," one freshman stated. This statement was made in reference to the "Jay Wentz Get Involved" activities. Through them the freshmen had an opportunity to see how upper classmen get things done.

As with all beginnings, the freshmen had to feel their way to success. Going into their sophomore year, they are prepared to take part in molding the campus to suit their fellow students. They are also ready to assume their responsibilities as members of their high school community. 74 is looking forward.

The 1970 Thalassa staff believes many thanks are in order to those who have aided us in producing this, our seventh S.C.H.S. annual. We thank the parents and faculty members who have lent us their time and effort. We thank those who allowed us to have our little fun in making fun of human activity. We thank the students who made this seventh offering worthwhile. We further thank those members of the community who saw fit to support us with their advertising and sponsorships. And finally, we thank those whose activities made San Clemente High School an interesting place to be.

Thalassa Staff 1971

Dear Tom,

It has been fu
to know you in
A cappella. I hope t
know you better in
our upcoming years
with the "Big D"

Love,
Kelly Dowlin

Tom, I'm really proud of you
Juan M. Luna '1971' in all the
activities you
were involved in
I wish there were
more people like you
I hope you stay
and hope to see
you next year

Tom this has
been a good year
for you are one of
my best friend. good luck
next year. parti
summer. Fermin Cas

Dear Tom

it has been
fun having woodshop
with you but not
next year.

Pritch
its been fun
knowing you
a few you have Learned me
a dime or nickel just
about every day of
the year your a true
friend have a good
summer
be a Bad boy
Mike Rhyne
